

GIFTED CHILD EDUCATIONAL PROGRAM

The Yale Board of Education recognizes that educational programs are necessary for gifted children as defined in Oklahoma Statutes Section 1210.307 of Title 70.

Therefore, it is the policy of the board of education to cooperate fully with the State Department of Education in identifying gifted and talented children and in developing appropriate educational programs.

Children in this district will be considered for placement in the program in accordance with scores on standardized achievement and intelligence tests, records, and recommendations of teachers and parents.

Children identified as gifted and talented will be offered gifted and talented educational programs.

Children identified as gifted and talented will be offered gifted and talented educational programs in cooperation with another district which has entered into an agreement with this district to provide such education.

Children identified as gifted and talented will be offered gifted and talented educational programs in cooperation with a (private) (public) institution which has entered into an agreement with this district to provide such education.

Children identified as gifted and talented shall be permitted to transfer to another school district which provides such programs. This district will provide transportation and will pay tuition as agreed by the districts in accordance with 70 O.S. §1210.307.

The superintendent is directed to develop and implement regulations that support this policy.
