

6th Grade Essentials

On this sheet you will find all the extra details of the 6th grade that you might want and need to know. We ask you to read through the items on the list with your students and sign at the bottom and return to school no later than Monday August 30th.

Contacts

- We give two kinds of contacts, **work contacts** and **behavior contacts**.
- **Work contacts:** if your child is missing a homework assignment then we will write a work contact on their passcard in their assignment books. (This work still needs to be turned in for a grade)
- **Behavior contacts:** These contacts are given if your child has misbehaved after being warned. The contact is written on their passcard in their assignment book.

Emergency Card

- Everyone gets a five punch Emergency card to use each semester (one punch per class) some exceptions do apply.

Rewards

- **Triple Gold reward:**

We reward the students who have been gold for three weeks in a row. This is called triple gold. Triple gold is rewarded three times a quarter.

- **Solid Gold reward:**

Students who have been gold all quarter long will be rewarded at the end of each quarter.

- **Solid Gold all year:**

At the end of the year students who have been gold all year long get a special reward! If a child receives a contact the day before the reward they will not be allowed to go.
