

Copeland Middle School is a collaborative community, where all stakeholders work in solidarity, thus creating an environment of mutual-respect, trust, and responsibility while empowering all individuals to be their authentic selves.

Communication Framework

Copeland Middle School is committed to ensuring open communication between all stakeholders. All staff members will engage in positive two-way communication by connecting families to student learning through sharing data, providing strategies to support learning at home, and allowing students to advocate for their education.

While the staff at CMS will be working to meet this goal, we ask all parents, guardians, and students to follow the following guidelines to ensure successful resolution of any questions and/or concerns.
