

Copeland Middle School is a collaborative community, where all stakeholders work in solidarity, thus creating an environment of mutual-respect, trust, and responsibility while empowering all individuals to be their authentic selves.

Assessment Dates 2022-2023

Common Assessments:

*** These assessments should be common within the grade level. Special Ed should use the grade level common assessment, and modify to meet the IEP guidelines, as well as provide outlined accommodations. The assessment must be skill based and assess grade level standards. The common assessment should be entered into the gradebook as a summative. This grade should not grossly affect a student’s overall marking period average. Study Guides must be provided two weeks prior to the assessment date. Study guides should provide an overview of the skills being assessed.**
