Dear 6th Grade Parents/Guardians,

The 2022-2023 school year is rapidly coming to an end. This school year, 6th grade students received a semester of German and a semester of Spanish. These 6th grade students will now have the option of choosing which language they would like to study further in grades seven and eight. Please keep in mind that your child will either enter the German or Spanish track. If they meet the necessary requirements, they will have the opportunity to begin their high school careers in the Morris Knolls and Morris Hills School District in either Spanish II or German II. Please take the time to discuss this selection with your child. Please complete the [selection form](#) no later than **April 18th, 2023**. Please be advised that students might not get their first choice for their selection. If you have any questions, please do not hesitate to contact me.

Best,

Alfonso A. Gonnella
