Copeland Middle School Bagel & Locks

August 22, 2023 from 8:30-10 am

August 24, 2023 from 1:30-3 pm

We hope that you will come join us to meet new classmates, learn how to open your locker, and begin to navigate CMS. This exciting event is scheduled over two days; please choose the day that fits best for your schedule.

The goal of “Bagels and Locks” is for incoming 6th graders to feel confident about coming to CMS! We will provide students with their 6th grade locker and combination. With the help of the staff, students will get to practice opening their locker and become familiar with the combination. Throughout the event, students will get the opportunity to interact with one another and create new friendships that will ease the transition into middle school. Students will get to hangout and snack on bagels in the CMS cafeteria.

They will leave the event with a better sense of the building, new friends, and confidence in their locker opening abilities!
