

Public Act 99-0590 Data Collection Form

PA 99-590 was signed into law on July 22. The legislation, sponsored by Representative Will Guzzardi (D- Chicago) and Senator Iris Martinez (D-Chicago), requires each school district to report to ISBE information concerning the administration of assessments to students at each school. The law also requires schools to make public the information submitted through the school district's website or distribution in paper form.

Please note that the law defines tests "scored by a non-district entity" as the focus of this data collection effort. We refer to these as "standardized" in the language below.

We appreciate your assistance with completing the form below **before Tuesday, October 18, at noon**. Specific questions about the survey? Contact John Barker at jbarker@isbe.net or Data Analysis at 217-782-3950

1. Please select your district (A-K)

2. Please select your district (L-Z)

3. Please enter the name of the school you are reporting on here (a separate form/survey is required for each school in your district)

4. Pursuant to Public Act 99-0590, enter the following information about any standardized tests you will administer at this school during the 2016-17 school year (use the scroll bar at the bottom of this question to see all required data entry columns)

PARCC, ISA, and Fitness Gram are required by Illinois. DEA and Aimsweb+ are used by our district to help identify student growth, assist with curricular and instructional planning as well as to assist in the placement of students who need intervention. PSAT is administered by our neighboring high school to assist in placing students at the appropriate English and mathematics levels upon entrance to high school.
