SHS Update: April 20, 2018

With arrival of the sun the last couple days, thoughts of that glorious end to another successful school year can be felt by all students and teachers. Seniors think they are already done. Juniors think they are seniors. Sophomores are still trying to grasp their place on the proverbial high school totem pole. Freshmen are just glad the year is over and the Junior High is...well...the Junior High. We know that time is fleeting and the days we have to educate your children are short. The high school would like to continue to maximize this time to help ALL of our children.

"Sometimes we're all too quick to count down the days that we forget to make the days count."

Shout Outs

Thank you to all the Salisbury families who attended the Academic Awards Banquet last week recognizing the academic accomplishments of many of our Panthers. I really enjoyed seeing many of the positive conversations between teachers and families while dinner was being served.

A big shout out goes to all of our High School Panthers who gave their best effort on their End of Course exams.

Good Luck to all our Junior High Panthers as they continue to give their best effort on the MAP test this week.

Good Luck to our FFA students who are competing in state competitions this weekend.

Good Luck to our Speech students who are competing in state competitions this weekend.

Congratulations to all of our Panther FBLA students who competed last week at the state competitions. Nine students were able to place high enough that they will be moving on to compete in Baltimore this summer.

Congratulations to our Scholar Bowl students who competed in their district tournament last week. The team did amazing.

Junior High MAP Testing

The JH will be MAP testing Monday through Thursday next week. We would appreciate all of your help making sure your students are well rested. Thank you.

Summer Athletic Camp Registration Information/Free Physical Day

Summer athletic camp registrations are starting to become available. Forms will be available in the Main Office or on the school website. As these forms become available, they will be posted on the school's website. Make sure to keep checking often as these forms become available. If you have a student that is participating in an activity next fall, remind them to up for a free physical at the school. The dates for the physicals are **Tuesday, May 29, and Wednesday, May 30**. These physicals will meet the MSHSAA requirement for participation in sports, band, and cheerleading.

Parent Opinions Requested

If you have not already done so, please help out our school by answering the following question.

I am requesting the help of each of our Salisbury families by answering a question regarding our school.

Log on to the website www.menti.com and enter the numbers 30 43 26.

It should take less than 30 seconds. Thank you for all of your help.

March Students of the Month

Congratulations to the following students who were recognized for their display of the character trait-**Perseverance** during March: Faith Kaneer, Steven Birdsong, Dustin Linneman, Kyla Smith, and Allison Binder. I want to thank these students for being a positive role model for other students to follow.

MATC Student of the Month

Congratulations to the following Salisbury students who attend MATC and were recognized as Students of the Month in their respective programs.

William Kaneer-Electronics & Robotics Technology

Arion Williams-Architectural & Engineering Design

Gabe See-Collision Repair Technology

Chromebook Updates

Reminder: 9-12 graders who have checked out Chromebooks, chargers, and cases will be turning those in the last week of school. If a charger has been lost or a computer needs to be repaired, stop by Coach Green's office to let him know ahead of time.

Graduation Cap and Gown Orders

Reminder: Seniors who have not ordered cap and gowns for graduation are encouraged to stop by the main office at your earliest convenience to make ordering arrangements. This is the last chance to have them here before graduation.

Grade Check

We are midway through the 4th Quarter. Grades have been updated and with all the activities going on this time of year, it is important to frequently check the ineligible list to make sure that your child can participate. Thank you for continuing to work with your child's teachers to help your child reach his/her potential.
