

## **Mr. Botsford's School Supply List 2021-2022 School Year**

For the upcoming school year, it is my plan to provide your child with many of the supplies that are typically requested.

- 1 durable pocket folder (to be used as a Go Home folder)
- 1 composition notebook (to be used as a communication notebook)
- If you want to communicate by email, a composition notebook won't be necessary
- 2 boxes of tissues
- Extra clothes (please communicate if you want them to stay in your child's bag or stay at school)
- Backpack
- Please label coats, bags, hats, etc.

I already have a school supply bin for your child with the following items:

- crayons
- scissors
- erasers
- Elmer's glue/glue sticks

See you in September! 😊
