

Mmm Mmm Catering

Hello Parents,

Mmm Mmm Catering prepares healthy and quality meals offsite in our commercial kitchen. We then package our meals individually labeled with each child's name on it for easy distribution. All meals are delivered straight to the school campus.

Every meal includes one serving of fresh fruit and/or one serving of vegetables and your choice of water or juice. All desserts are an extra charge.

Here's how it works:

1. Every school is given a *Mmm Mmm Catering* I.D. number that will allow each parent to sign up their child and place meal orders.
2. Once registered, parents are able to log in to the system at any time to make orders.
3. If you have multiple children, you can order for them all at once. Pay with your credit card, so you never have to worry about lost lunch money ever again.
4. *Mmm Mmm Catering* will receive the orders and deliver accordingly.

Ordering Made Simple

Peace of mind comes with knowing what your little student is eating for lunch every day. Our online ordering system is very easy to use. It has a simple calendar format which is very natural and intuitive to use.

Online Menu Calendar

Highlighted Blue Items are the Main Entree

Highlighted Red Items are free with your meal but you can only pick one.

Highlighted Mustard Color Items are Extras and Desserts

So now how do you remember what you ordered?

1. Order confirmation email will list all the meals you just ordered.
2. History page, where you can look up your orders in either a calendar format, or just as a list. Use it as a reference, or print it out and hang it on the fridge.
