Dear Parents/Guardians,

The Administration was notified that a student in your child’s class has tested positive for COVID-19. Through our investigation, we have discovered the individuals who were in close contact[\[1\]](#) and have communicated with their families directly. At this time if you have not been communicated with directly, you should have little to no concern with infection.

In-person classes will continue as planned.

Please remember to withhold your student from class if:

- he/she is experiencing any COVID-19 symptoms[\[2\]](#).
- he/she or a direct family member is awaiting the results of a COVID-19 test.

Should you have any questions, please contact Ms. Phyllis Taborn, 8th Grade Assistant Principal or Principal Dr. Keli Ross.

We encourage all members of our Lansing School District 158 family to be safe and follow proper safety and social distancing guidelines in and out of school.

Sincerely,

Ms. Phyllis Taborn
8th Grade Assistant Principal

Estimados Padres/Tutores,

La Administración fue notificada de que un estudiante de la clase de su hijo ha dado positivo por COVID-19. A través de nuestra investigación, hemos descubierto a las personas que estaban en contacto cercano y se han comunicado con sus familias directamente^[1]. En este momento, si no se le ha comunicado directamente, debe tener poca o ninguna preocupación con la infección. Las clases en persona continuarán según lo planeado.

Por favor, recuerde retener a su estudiante de la clase si:

- está experimentando algún síntoma de COVID-19^[2].
- El/ella o un familiar directo está esperando los resultados de una prueba de COVID-19.

Si tiene alguna pregunta, comuníquese con la Ms. Phyllis Taborn o la directora Dra. Keli Ross.

Animamos a todos los miembros de nuestra familia del Distrito Escolar 158 de Lansing a estar seguros y seguir las pautas adecuadas de seguridad y distanciamiento social dentro y fuera de la escuela.

Atentamente,

Ms. Phyllis Taborn
8th Grade Assistant Principal
