

Westwood Elementary School

Parent Involvement Plan

Parental involvement is an essential part of student's success in his/her education. *Insert your school name* recognizes the importance and values the effectiveness of parental involvement in enhancing student achievement.

Westwood Elementary School is committed to:

1. Establish a two-way communication with parents/guardians.
2. Involving parents/guardians in decision making at the school level.
3. Developing strategies at the school to enable parents/guardians to actively participate in their child's education.
4. Provide assistance with local agencies and resources that can provide support.
5. Providing parent workshops to develop strategies at home that will enhance learning.

Westwood Elementary School will:

1. Conduct an Open House/Title I night for teachers, students, and parents to ensure parents.
2. Maintain a web-site that will keep parents informed of school activities.
3. Survey parents to gather input for decision making with regards to Title I plans.
