

MURDOCK BOOSTERS

Hello Murdock Families!

As many of you may know, Murdock Sports Boosters is an organization that supports all Murdock Middle and High school athletes and athletics. It has been supporting the athletic program at Murdock for many years. Over the past 5 years or so, active participation in this organization has dwindled considerably, with 2 remaining official members, myself and Dawn Fronte. Dawn has overseen the financial aspect, while I have been the “runner” so to speak. There have been several individuals who have willingly volunteered to assist me in the concession stands for football and basketball games, and that is very much appreciated. However, in order to continue an effective organization, we really must have more regular and active participants, with an elected board, in order to make informed decisions. Dawn and her husband are moving out of town and have not had a child at Murdock for over 5 years. My youngest child just graduated from Murdock. Although I am willing to continue some involvement, I do not feel that it is appropriate for me to attempt to run this organization any longer. I am writing this to all of you to see if there is any interest in continuing the Murdock Sports Boosters program.
