LEA'S USE of ESSER III FUNDS (Project 795)

Instructional Need (20%)

- Hire Interventionist(s) to address learning loss in both math and reading
- Hire classroom teachers to Reduce class size and maintain low student numbers to ensure social distancing and contact tracing.

Building Need

- Replace Carpet floors with tile or other low maintenance material to ensure better air quality and disinfecting.
- Replace Freezer cooling equipment to ensure food storage that is used to feed students.
- Replace hallway doors to ensure better security and control the flow of students.
- Clean Remaining Carpets to ensure better air quality and disinfecting.

Technology

- Smart Boards for displaying instructional content in the classrooms to address learning loss.
- Computers for student use at school and at home to access learning materials.

Other

- Stipends for staff to return to school and incentivize new staff to join the district
