PUBLIC COMMENT ON ANY ITEM OTHER THAN CONSENT AGENDA

- Ms. Bulluck suggested the Board create a policy that requires school communication use the name of the schools as they are registered at the State. Ms. Bulluck agrees controls need to be place for fund raising. When will the Board go back to in-person meetings? Ms. Bulluck asked Dr. Bolandi what will it look like for the upcoming school year – will we be able to meeting 3-6 foot social distancing? Will everyone be required to wear masks?
- Dr. Bolandi stated there is a push to have the Governor mandate mask wearing for people that are unvaccinated. If I had a choice, I would recommend it. If the Governor mandates 6 foot social distancing we would not be able to open school. We would have to go to remote learning. We could do 3 foot distancing. Dr. Bolandi stated it is important how the high school is presented in the print media. A conversation is needed.
- Mr. Trusty feels this is a good time to address this issue because we can then go into September with a clear focus.

NEW/OLD BUSINESS

- Ms. David agrees that the name of the schools needs to be addressed.
- Mr. Berrios asked if NJ testing will take place in the fall? Mr. Berrios stated the controls are excellent with fund raising. The Academies alumni should participate with the branding. Mr. Berrios would like a full conversation on the Academies.
- Yes, the plan is to do a pretest some time in September.
- Mr. Rodriques objects to Mr. Matthews disrespectful statements toward Board members. Mr. Rodriques motioned; seconded by Ms. David directing the Interim Superintendent to develop a policy regarding the naming and/or branding on how the Dwight Morrow High School name is used and the Comprehensive and the Academies.
- Dr. Mullings stated that this issue requires more discussion with the community. Everyone needs to know why the change is necessary.

Vote:

Yes: Ms. David, Mr. Rodriques, Mr. Feinstein, Mr. Trusty
No: Mr. Berrios, Dr. Mullings, Mr. Montano, Mr. Matthews

Motion Fails**NEW/OLD BUSINESS (continues)**

- Mr. Feinstein stated the issue is we have a high school that is segregated with two programs. It needs to be addressed.
- Mr. Montano stated this is a highly sensitive issue. Part of this conversation should happen during closed session. The remaining discussion should be with the public in order to be transparent. Mr. Montano asked Dr. Bolandi if students are being registered properly?
- Dr. Bolandi stated two bi-lingual people are set to be part of the department. It will be under the guidance of the Director of Special Services.
- Mr. Matthews stated he is totally for the Academies. The problem is not the Academies. I hope the Academies are here to stay. The real problem is we have to prepare our kids to meet the academic prowess of the out of district kids.
- Mr. Trusty stated the common thread is democracy, dialogue and diplomacy. This subject warrants a fruitful dialogue. The Board members have different ideas and different perspective, but we must communicate in a respectful manner. Mr. Trusty wants to make sure that the branding, naming and the perception is right for the community and is right for the students that we are trying to educate as well as recruit.

Motion to adjourn by Mr. Matthews; seconded by Ms. Feinstein at approximately 9:30 p.m.
