LAYTONVILLE UNIFIED SCHOOL DISTRICT MINUTES OF THE REGULAR MEETING OF NOVEMBER 8, 2012

A. CALL TO ORDER/ROLL CALL:

The Governing Board of the Laytonville Unified School District held a regular meeting in the Board Room on November 8, 2012. In Board President Calvin Harwood's absence, Board Clerk Shannon Ford called the meeting to order at 6:33pm.

ROLL CALL:

Trustees Present: Shannon Ford, Cecelia Gillespie, Meagen Hedley and Tina Tineo. Calvin Harwood arrived late at 7:42pm.

Administrators Present: Joan Potter and Lorre Stange.

Student Representative: Mitzi Pierson.

- B. PUBLIC INPUT re CLOSED SESSION ITEMS: No public input.
- C. CLOSED SESSION AGENDA: No Closed Session.
- D. ANNOUNCEMENTS FROM CLOSED SESSION: None.
- **E. PATRIOTIC OBSERVANCE:** Shannon Ford led the pledge of allegiance to the flag.

F. ACCEPTANCE OF AGENDA:

- **Motion** to approve the Agenda by Tina Tineo, seconded by Mitzi Pierson, unanimously approved.
- G. CORRESPONDENCE: None.
- H. PUBLIC INPUT: None.

I. REPORTS AND COMMENTS:

Superintendent's Report:

- Mrs. Potter reported that the District is working to improve communication with parents. One way of achieving this is through a Facebook page, which is expected to launch on the week of November 12th. The Facebook page will be used to convey announcements, events, and district activities to parents, students and community members. The page will be used as an informational tool only and will only allow the page administrator to post, as to limit any conflicts. Additionally, both principals released Newsletters last week to inform the parents of school activities that are happening in November. Lastly, Parent/Teacher conferences will begin November 14th and continue throughout the week. This is another tool that increases communication between parents and the District.
- Mrs. Potter announced that Proposition 30 has passed, which should have positive effects on the District. The School Board will be reviewing the first interim budget in December. Mrs. Potter is hopeful that we will have a 3 year reserve. Unfortunately, the federal programs (i.e. Title I) is looking at sequestering up to 20% of the funds they have previously given, but the District won't know any more about this until January. Meanwhile, the County Office of Education will be giving their recommendations on how to budget for the next year.

Laytonville Unified School District December 13, 2012

- Mrs. Potter announced that it is becoming very apparent that our facilities are aging. In order to address this issue we will be discussing how to modernize our current facilities. With the rain, the District is experiencing leaks, including at the new high school. We received a facilities report for the Elementary school. All facilities were rated fair, mostly because of the age of the bathrooms, the stains from leaks on the ceilings and the age of carpets. The District was however, commended on the upkeep of the tile floors.
- Mrs. Potter announced that Malila has prepared the Snow Tree (Staff Phone Tree for Snow Days), which will be distributed to the staff shortly, in preparation for the winter weather that is ahead of us.
- Lastly, Mrs. Potter reported that the Support Staff Committee had their monthly meeting to discuss the students and services provided. She said that currently the support staff committee is made of some very good people, including two mental health representatives who are funded through BRONCO, a counselor through TAPA, two women who come in to work specifically with children ages 0 to 5, and Mary Gulyas who works specifically with IEP students.

The following reports were given:

Elementary Principal High School Principal – no report Healthy Start

LES/LMS Site Council LHS Site Council DAC Student Representative LVTA CSEA

J. ACTION: CONSENT AGENDA

• **Motion** to accept the Consent Agenda by Cecelia Gillespie, seconded by Meagan Hedley, unanimously approved.

K. ACTION:

K.1. Students of the Month:

• Mr. Regelbrugge was not present. No Students of the Month were recognized this month. Students of the Month will resume next month in December.

K.2. Scheduling of Annual Organizational Meeting

- Education Code Section 35143 requires the Board of Trustees to hold an annual
 organizational meeting, which traditionally occurs in December during the regularly
 scheduled Board meeting. At this meeting a President and Clerk will be elected,
 committee assignments will be made, a calendar of meeting dates for 2013 will be
 adopted, and signatures from each Board member will be obtained.
- **Motion** to Schedule the Annual Organizational Meeting on the regularly scheduled December 13th Board Meeting by Tina Tineo, seconded by Meagan Hedley, unanimously approved.

K.3. Adoption of AP Environmental Science Book

• An AP Environmental Science sample textbook has been on display at the District Office for the past two months for review. After reviewing a few different texts which meet the California State Academic Content Standards, the high school is recommending the text, Living in the Environment, 17th Edition, Miller/Spoolman, 2012. This textbook is in

- compliance with Education Code 60422 and CCR Title V, Section 9531(a) which require that textbooks are aligned with the State Academic Content Standards.
- No questions were asked from the audience.
- **Motion** to adopt the AP Environmental Science Book by Cecelia Gillespie, seconded by Meagan Hedley, unanimously approved.

L. DISCUSSION / ACTION:

L.1. PUBLIC HEARING: Federal Impact Aid Program, BP 1261 and AR 1261

- LUSD is one of approximately 630 school districts that receive Federal Impact Aid funding. Federal regulations including Section 8004 of the Elementary and Secondary Education Act and Board Policy 1261 call for an annual Public Hearing to be held in November to allow an opportunity for American Indian parents to discuss the educational programs supported by Impact Aid funds. A Public Hearing Notice has been posted for 10 days, including at the Tribal Center.
- Federal Impact Aid funding is provided to districts with tax free entities in their jurisdictions such as Indian reservations and military bases. The purpose of the money is to offset the loss of tax revenue, to support the district's instructional program and to ensure that Indian children receive educational services equal to those received by non-Indian children. The revenue is based on a complex formula and has ranged from \$25,000 to \$45,000 over the past 10 years. BP and AR 1261, known as Indian Policies and Procedures (IPP's), provide Indian parents with the opportunity to participate in the discussions related to their students' instruction, and they provide the Board an opportunity to gather information concerning the American Indian community and its views on education.
- In Board President Calvin Harwood's absence, Board Clerk Shannon Ford opened the public hearing.
- Public Hearing
 - A request was made that next year the Public Notice be mailed to parents of Indian children to increase awareness of the public hearing.
 - Ashley Smith, Tribal Education Director expressed that she is having difficulty getting permission slips back from parents to allow her to check on students records at the school. She requested that the school tries to get the permission forms signed as well so she can help act as a mediator and ensure that students are completing homework and keeping up on their attendance. Ms. Stange will also assist by ensuring that all homework that is given is reported to the Education Director so she can track their progress. Ashley will be offering an incentive program for students who complete homework and succeed in class, but this is dependent on her ability to monitor their progress.
 - o Joe Smith, tribal member suggested that a new program be developed to utilize the funding that helps students complete homework, such as an afterschool program specific for Indian children. Currently, Heidi Wilson is working to tutor the older kids at the Middle School and from 2:30-3:15 p.m. there is an afterschool program for the younger kids at the Elementary school, but both programs are designed for children of all ethnicities and do not target the Indian children's needs specifically. In response, Ashley also suggested that we offer transportation from the afterschool programs for Indian students to increase their participation.

- O It was expressed that students who are actively participating in sports are particularly having difficulty completing homework. Different methods to aid students in completing homework were discussed, including having a responsible coach to pick up students from the afterschool program so they would be able to attend, without it interfering with practices.
- Another issue that was addressed was that a lot of students were completing their homework, but forgetting to turn it in. Ashley suggested keeping the kids' homework if they complete it in her program, then turning it into the school for them so that it is not forgotten or misplaced. The idea of having Ashley available on campus after school was discussed as well.
- Mrs. Potter shared that although Native American test scores still have room for improvement, looking at the data, there has been a lot of growth in the test scores thus far.
- Ashley will continue to touch base at the DAC meetings to begin to work on these issues, as well as address new ones as they develop.
- Shannon Ford closed the public hearing.

L.2. Bus Routes

- Periodically the California Highway Patrol reviews our Transportation Records. One of the areas they review is our Bus routes and documentation showing CHP approval of bus stops that are in areas that require their approval. At this point we do not have any stops requiring their approval; however the CHP will be coming in December to review the list of approved stops. Any stop that does not require CHP approval is approved by the "Superintendent or Designee" pursuant to AR 3541. If a new stop if necessary, Mrs. Potter and Sue Carberry measure the distance between the proposed stop and preexisting stops and ensure that the proposed stop is legal and safe. If this is in question, the CHP will be called in for review.
- The Board reviewed all three lists of current bus routes.

L.3. BP and AR 3541: Transportation Routes and Services, First Reading

- As Mrs. Potter was reviewing the current BP and AR 3541 regarding Transportation Routes and Services, it became apparent that they are outdated. The Board was presented the new proposed BP and AR 3541, which they reviewed.
- **Motion** to return BP and AR 3541: Transportation Routes and Services for a second reading and final approval at the next regular board meeting by Shannon Ford, seconded by Meagan Hedley.

M. INFORMATION ITEMS:

M.1. Academic Performance Reports (APR)

• Mrs. Potter explained that for the past 10 years, Laytonville Unified School District has made steady progress in increasing student performance as measured by the California Standards Tests (CST's) and the California High School Exit Exam (CAHSEE). This year, however, for the second year in a row, neither the elementary nor the high school met the AYP. As a result, both schools have now entered into Program Improvement (PI). The County will continue to provide Program Improvement assistance to the district

- through their curriculum and instructional support staff. Mrs. Potter then shared a presentation that was created by Katie Sommer from MCOE that describes the accountability process and our results.
- Mrs. Potter began by explaining that in general, an Academic Performance Report (APR) represents a variety of data demonstrating student learning, performance levels and school achievement. She explained that there are two basic types of APRs that are used to evaluate our education in California. The first, the Academic Performance Index (API), is a state indicator measuring growth on a scale of 200-1,000; the target for each school is 5% growth from the school's previous API toward the 800 mark; the State expects all schools to exceed 800. The second, Annual Yearly Performance (AYP) are federal indicators measuring a school's progress; the California Standards Tests (CST'S) and the CAHSEE provide the elementary and high school benchmarks. Mrs. Potter explained that by looking at our individual scores, we have not met the standards for the past two years. In English Language Arts, we had a slight increase in our scores over the first few years, then a major decrease to today. Our Math scores are historically very low and continue to be. Our Science scores have been at a somewhat steady decline, while History has also taken a major decline. She explained that this means that we have entered into Program Improvement (PI), which is a special program for schools that do not meet the federal benchmarks (AYP). Schools in PI face various sanctions depending on how many years they are in the program. She explained that we are one of the last schools in the county to get put into PI. Round Valley, for example, has been in PI for 6 years and consequently have now been taken over by the state. We however, are currently in transition mode. Mrs. Potter explained that she does not expect us to have any difficulty pulling ourselves out of PI, or running any risk of being fully taken over by the state. She said that as a District, we will continue to try to improve student learning, improve instruction and prepare our students for the real world. She explained that as a Board, things to consider are what can be done better and how to change the current scenario.
- Possible problems that were discussed that could have led to the decrease in our scores were the curriculum, the availability of support staff, and staff turnover rates. All of these problems could very well be factors that have led to the inadequate test scores. These problems are all being looked at as ways for improvement.
- After Mrs. Potter completed her presentation, the Board discussed what should be done now to improve test scores and meet the standards. Things that were discussed include looking at the current data, setting goals, reviewing current intervention methods, conducting an academic survey and looking at the PLC structure. Additionally, all schools will be making a transition to the common core state standards in 2014, which should help improve our score as it is designed to create a better understanding for the materials. Currently, staff is looking at how the common core standards overlap with what is being taught to better understand what needs to be supplemented before the transition can take place.

M.2 Presentation from East shore Consulting Regarding Facilities

• Michael Riemenschneider presented on behalf of Eastshore Consulting. Shin Green arrived late and participated in the second half of the presentation.

Laytonville Unified School District December 13, 2012

- Mr. Riemenschneider introduced himself and his company, Eastshore Consulting, which
 helps schools to obtain money for building new facilities or modernizing preexisting
 ones. He explained that a crucial part of this task is having the support of the community,
 which he said that regardless of the hard economic times is still possible, as seen with the
 recent passing of Proposition 30.
- He told the audience that one of the most important factors for funding facilities construction are bonds. He explained that in the past, the community has come together to support a \$3.5 million bond to construct the new high school, which shows that the community support and backing is there. At the time the previous bond was approved it needed a two-thirds majority vote to pass, whereas now the pass rate is only fifty-five percent, with a few minor stipulations.
- Other funding mechanisms that were discussed include state hardship, developer fees, or new construction and modernization fees. Mr. Riemenschneider explained that because developer fees are strictly tied to a new housing development being built in a community it is not realistic for Laytonville. Mr. Riemenschneider explained that although these other options are available, our focus should be on the passing of a new bond.
- With the creation of Proposition 39 a few years back, the types of projects that bonds can now fund has expanded to include capital improvements, maintenance, getting technology in the students' hands, and renewable energy. With this in mind, Mr. Riemenschneider described the needs that Eastshore Consulting has identified for Laytonville Unified School District, which include:
 - Repairing and upgrading the elementary classrooms and facilities that are over 50 years old
 - Modernization of the kindergarten and middle school buildings that were constructed in 1987
 - o Replacement of outdated portable buildings with new classrooms
 - o Improvement of classroom access to modern technology
 - Renewable energy
 - Constructing a new woodshop
 - Demolishing old high school gym
 - o Building a new performing arts center
 - Weatherizing the tin gym
 - Improving playing fields
- In exchange for the ability to spend bond money on a variety of new improvements, Proposition 39 made it so that when a bond is created there is a predefined limit on the tax rate, a pre-proposed specific project list, and a citizen's oversight committee to ensure that the bond money is spent correctly. Additionally, in order to pass a bond it has to be voted on during a regularly scheduled election day to increase voter participation.
- One aspect that Mr. Riemenschneider emphasized is the importance to prioritize the proposed project(s) prior to the election and to be very clear and transparent with the community. In order for a bond to be passed, the community has to feel they can trust the Board.

- Mr. Riemenschneider explained that the type of bond that would be used is dependent on the tax base of the community in Laytonville. Luckily, the Laytonville Unified School District has not had a negative year of growth within the last 5 years, regardless of current population trends in other areas. He explained that this means that Laytonville has a stable tax base that continues to sustain its growth rate, which is one of the main factors that determines bonding capacity. Currently, for Laytonville the tax base and assessed values are around \$4 million. Taking this figure into consideration, Mr. Riemenschneider expects Laytonville's bonding capacity to be \$7, 150,273. In order to reach this estimate, the tax rate was projected with the maximum being \$60 per \$100,000 of assessed values.
- The Board raised the question of how to instill trust within the community, given the recent problems with the Willits Unified School District and their bond. Mr. Riemenschneider explained that the Board would need to preface any discussion with the community explaining why Willits got into trouble with their bond and how Laytonville would keep from getting into the same situation. He explained that the Board would need to be realistic with the community's growth rate, rather than inflate it so they could increase the bonding capacity to an unrealistic figure. He explained the importance of being fairly conservative with growth rates and making sure to involve the community in all discussions of the bond so they are comfortable with their decisions. He said that the Board must interact with the community to discover what they would like to see happen with bond money. Additionally, there is a public oversight committee, which is a public committee that gets to monitor what the Board does and who have the ability to recall the Board if they feel that the Board is not holding to their promises.
- In addition to bond money, Eastshore Consulting suggested that Laytonville Unified School District apply for State Aid. State Aid can be used for modernization and new construction. Unfortunately, at this moment most of that money has dried up, but it could possibly be replenished in 2014, if the state passes another bond. In the meantime, he explained that it doesn't hurt to get on the waiting list to ensure that if that money becomes available, the District doesn't miss the opportunity to receive funding.
- Additionally, there is Hardship Funding. For Hardship Funding, the state requires that there be a local match and that the institution must be over 60% of their total bonding capacity (currently the District is at 26%).
- To conclude their presentation, Eastshore Consulting discussed the next steps. They suggested that the District begin putting ballpark costs onto the proposed projects, prioritizing the list of proposed projects, and talking with the community about what the bond would fund for those projects.

N. ITEMS BOARD MEMBERS WISH ON FUTURE AGENDAS:

• Calvin Harwood requested that the Superintendent and Principals' contract extensions be put on the next agenda.

O. COMMENTS FROM THE BOARD:

• Cecelia expressed that she is very happy with the implementation of the music classes. Shannon Ford wanted to remind everyone that the Booster Club always needs help. Additionally, she suggested that the District Facebook page be linked to the Booster Club

Facebook page, which is already underway. Mrs. Potter expressed her gratitude to Eastshore Consulting for making their presentation.

P. ADJOURNMENT:

Motion to adjourn the meeting, by Tina Tineo, seconded by Meagan Hedley, unanimously approved. The meeting was adjourned at 9:02 p.m. The next regular meeting will be held December 13, 2012.

| TERMS OF AGREEMENT: An interdistrict transfer/reciprocal agreement is when parents/gua designated school that is in their attendance area outside of their dis | ardians wish to register/admit/enroll their student(s) at a school other than the istrict. | | | | |
| California <u>Education Code sections 46600-46601</u> (Outside Source) permits parents/guardians to request an interdistrict transfer/reciprocal agreement. The fundamental basis for this provision is the signing of an agreement between districts. Interdistrict transfer/reciprocal agreement must be approved by both the student's original district of residence and the district to which the student seeks to transfer to. Both districts must approve the agreement before it becomes valid. The agreement may extend for a maximum of five consecutive years and may include terms or conditions. It is within the authority of either the home district or the receiving district to revoke an interdistrict transfer/reciprocal agreement at any time for any reason the local board or district superintendent deems appropriate. | | | | | |
| If a request for an interdistrict transfer/reciprocal agreement is denied, the student's parents/guardians may file an appeal to the county office of education in the student's district of residence within 30 days of receipt of the official notice of denial of the transfer. The parent/guardian or student must provide transportation. The average daily attendance shall be credited to the District of Attendance for purposes of determining state apportionments and the revenue limit. As the parent/guardian of the above named student(s), I hereby request that the Laytonville Unified School District Board of Trustees approve this transfer. | | | | | |

BOARD ACTION ITEM K4

Board Meeting Date: December 13, 2012

Subject: Designation of Regular Board Meeting Dates for 2013

From: Joan Potter, Superintendent

Explanation

The Board needs to review and adopt a calendar of regular meeting dates for 2013. A proposed calendar based on past practice is attached for your consideration. The meeting dates calendar can be revised, but it needs to be adopted this evening. We sometimes revise the calendar after the year gets underway for special circumstances.

An updated 2012-2013 Board Action Calendar (BAC) is also attached for your information. This is a calendar of Board activities that we follow throughout the year and it is revised periodically to reflect new requirements, topics and schedule changes; the BAC was adopted in June and no action is needed tonight.

Recommendation

Adopt the proposed Calendar of Regular Board Meeting Dates for 2013.

BOARD ACTION ITEM K5

Board Meeting Date: December 13, 2012

Subject: Resolution No. 424 – Emergency Resolution Pursuant to Public

Contract Code 20113 for Award of Contract Without Bidding and Advertisement to Remediate Water Damage at Laytonville High

School

From: Joan Potter, Superintendent

Explanation:

Laytonville High School experienced significant water damage due to an overwhelmed drainage system. All classrooms have major water damage and have to be evacuated while repairs are made. The floors must be removed in order to remove the insulation that is saturated and to completely dry out both underneath and inside the buildings. SERVPRO, a company specializing in restoration services for water damage, was contacted and the company immediately took action to address the overabundance of water.

Recommendation Adopt Resolution No. 424

RESOLUTION OF THE BOARD OF TRUSTEES OF THE LAYTONVILLE UNIFIED SCHOOL DISTRICT

RESOLUTION NO. 423

| On motion of Member | , seconded by Member | , the following |
|------------------------|----------------------|-----------------|
| resolution is adopted: | | |

WHEREAS, California Public Contract Code section 20113 provides the authority for declaration of an emergency when repairs, alterations, work, or improvement is necessary to any facility of public schools to permit the continuance of existing school classes, or to avoid danger to life or property; and,

WHEREAS, California Public Contract Code section 20113 further authorizes the Board of Trustees, by unanimous vote, with the approval of the County Superintendent, to make a contract in writing or otherwise on behalf of the District for the performance of labor and furnishing of materials or supplies for the purpose of meeting the emergency without advertising for or inviting bids; and,

WHEREAS, the Laytonville Unified School District owns real property commonly known as Laytonville High School; and,

WHEREAS, an emergency exists at Laytonville High School wherein certain repairs, alterations work, or improvements are necessary to avoid danger to life or property, as described in detail below:

Laytonville High School experienced significant water damage due to an overwhelmed drainage system. All classrooms have major water damage and have to be evacuated while repairs are made. The floors must be removed in order to remove the insulation that is saturated and to completely dry out both underneath and inside the buildings.

NOW, THEREFORE, BE IT RESOLVED AND AUTHORIZED THAT: by unanimous vote of the Board of Trustees of the Laytonville Unified School District, with the approval of the County Superintendent, declares an emergency exists and authorizes the Superintendent of the District or her designee to enter into contracts as needed for repairs and any other work local and state agencies may require to avoid danger to life and property and to permit the continuation of existing school classes.

BE IT FURTHER RESOLVED THAT: the estimated cost is expected to exceed \$15,000. This resolution does not set aside any bonding or security otherwise required by law.

BOARD ACTION ITEM K6

Board Meeting Date: December 13, 2012

Subject: Adoption of <u>Touching Spirit Bear</u>

From: Joan Potter, Superintendent

Explanation:

This novel has been on display at the District Office for the past month for review. This novel by Ben Mikaelsen teaches many themes; justice, the power of nature, anger, redemption, culture, and healing. These are all areas to which students can relate and start to understand. There are writing activities, vocabulary development, and group projects that can be incorporated into the teaching of this book.

Binet Payne has requested the adoption of this book and the Elementary school is recommending that it be adopted.

Touching Spirit Bear, Ben Mikaelsen, 2002

Recommendation:

Adopt the following novel.

BOARD DISCUSSION/ACTION ITEM L 1

Board Meeting Date: December 13, 2012

Subject: PUBLIC HEARING: State Categorical Funds Flexibility

Authorized by SBX 34

From: Joan Potter, Superintendent

Explanation

Since 2008 the economic crisis has resulted in state regulations regarding categorical program funds. Some program funding is now considered unrestricted through 2014-2015; the regulations also suspend the program mandates and reporting requirements. In effect, Districts can either fund the programs or shut them down and use the money for other purposes. At this time we plan to continue funding the programs with the reclassified unrestricted money, and to use any unexpended funds from these programs for any educational purpose. Attached is a listing of the affected programs and an accounting of how we are spending the funds.

Recommendation:
Conduct the Public Hearing

October Presentation of the Unaudited Actuals for the previous year

• December First Interim Budget – as of October 31: it compares the budget approved

in June with the latest figures

• March Second Interim Budget – as of January 31; includes funds received and

expended since the First Interim Budget

Overview of Current Budget Situation

The enacted 2012-2013 State Budget assumed passage of a new tax initiative named the "Schools and Local Public Safety Protection Act of 2012", Proposition 30. This initiative was approved in the November election. However, this does not generate **new** funding for schools, the tax increase is temporary, and schools are still funded significantly below 2007-08 levels. Additionally Proposition 30 requires that funds generated be placed in the Education Protection Act (EPA) Account and has some restrictions. The good news is the \$211,310 in anticipated 'triggered' cuts has been restored to our budget.

Cash flow and deficit spending continue to be concerns.

First Interim Budget highlights include:

- Revenues are up from July by \$297,781: Revenue limit up due to Prop 30 and increased ADA per enrollment at LES; Federal revenue decreased due to the loss of the McKinney Vento grant; State revenue is up due to budgeting the full School Safety allocation; and local revenue increased due to CTE increase and Sp Ed transportation
- Expenditures are up by \$151,350 (most of this is carryover, newly assigned to expenditure accounts). Some is due to reinstating staff and adding a Sp Ed IA
- We have a 4.0% percent economic uncertainty reserve with a 6% stabilization
- We expect to maintain the band at the high school for 12/13 which allows us to use prior year for 2013/14.
- No salary schedule increases included; step/column increases are included.

First Interim Budget 2012/13

December 13, 2012 Joan Viada Potter, Superintendent

Laytonville Unified School District is required by law to provide an interim report by December 15th which compares the June budget with the current information as of October 31st each year. The interim budget encompasses the General Fund of the school, and is also accompanied by a multi-year projection covering the budget and two subsequent years.

The enacted 2012-2013 State Budget assumed passage of a new tax initiative named the "Schools and Local Public Safety Protection Act of 2012", Proposition 30. This initiative was approved in the November election. However, this does not generate new funding for schools, the tax increase is temporary, and schools are still funded significantly below 2007-08 levels. Additionally Proposition 30 requires that funds generated be placed in the Education Protection Act (EPA) Account and has some restrictions. The good news is the \$211,310 in anticipated 'triggered' cuts has been restored to our budget.

The following narrative provides the major assumptions used in the preparation of the District's 2012-2013 budget.

41850-41854 Allowances for transportation

Policy LAYTONVILLE UNIFIED SCHOOL DISTRICT

Adopted: January 11, 1990 Laytonville, California

Laytonville Unified School District December 13, 2012

Business and Noninstructional Operations

Transportation Routes and Services

Under direction of the Board, the Superintendent or Designee shall establish reasonable transportation services to those students living beyond the maximum established walking distance. When establishing routes and stops the Superintendent or Designee shall assess financial resources, including district funds and State reimbursements. Maximum walking distances shall be recommended by the Superintendent or Designee and approved by the Board.

Maximum Walking Distances

The following distances represent the maximum distance to be walked by a student from their residence to their home or to and from their assigned bus stop. These distances shall be based upon the safest available walking route as determined by the Superintendent or Designee.

Kindergarten thru Third Three-quarter (3/4) mile

Fourth thru Eighth One (1) mile
Ninth thru Twelfth Two (2) miles

Distances shall be measured from the student's place of residence to the nearest point on the school grounds, regardless of where a loading/dropping-off zone may be located on the school site.

Walking distance to a bus stop shall not exceed the walking distances established for home to school transportation.

The Superintendent or Designee shall make every effort to ensure that bus routes are designed so that students will not spend more than two (2) hours on the bus.

Adopted: December 13, 2012 LAYTONVILLE UNIFIED SCHOOL DISTRICT Laytonville, California

Business and Noninstructional Operations

Transportation Routes and Services

Routes and Bus Stops

The Superintendent or Designee shall design transportation routes and stops to promote the safety of students and maximum efficiency in the use of buses.

Students shall be eligible for transportation service to and from school if the distance between their school-established bus stop and the school is beyond the minimum listed below:

Kindergarten thru Third Three-quarter (3/4) mile

Fourth thru Eighth One (1) mile
Ninth thru Twelfth Two (2) miles

The Superintendent or Designee may authorize transportation within the walking distance when safety problems or hazards exist.

Students who attend a school outside their attendance area may be eligible for transportation services in accordance with Board Policy.

```
(c.f. 5116.1 – Intradistrict Open Enrollment)
(cf. 5117 – Interdistrict Agreements)
```

The Superintendent or Designee shall communicate in writing to parents/guardians regarding bus routes, schedules and stops and/or shall arrange for local media to publish such information.

(cf. 1112 – Media Relations)

Transportation Services

With the Governing Board's authorization, transportation services may be provided or arranged by the district for:

- 1. Students traveling to and from school during regular school day (Education Code 39800)
- 2. Field Trips and excursions (Education Code 35330)

(cf. 3541.1 – Transportation for School-Related Trips)

- 3. School activities, expositions or fairs, or other activities determined to be for the benefit of students (Education Code 39860)
- 4. District employees and parents/guardians traveling to and from education activities authorized by the district (Education Code 39837.5)
- 5. Preschool or nursery school students (Education Code 39800)

Laytonville Unified School District December 13, 2012
