

Magazine Elementary School Improvement Plan
Grades: prek-6th
Revised April 2021

Goal 1: To increase the number of all students, including the special education subgroup, in grades 3, 4, 5, & 6 who meet the ACT Aspire reading readiness benchmark by 10% by grade level, and to increase the percentage of students in Tier 1 for grades K-2 on their iReady state pull months. We will strive to meet goal 1 yearly through implementation of the five components of the Reading Initiative for Student Excellence (R.I.S.E.) Arkansas.

ESSA Title 1 Components: 1, 2, 3, 4, 5

Rationale: ACT Aspire data, iReady data, and the ESSA School Index Indicator: Reading at Grade Level reveal that reading is our greatest academic area for improvement.

Goal 3: To cultivate a school-wide culture, which values attendance in an effort to improve attendance rates.																																		
ESSA Title 1 Components: Component 1, 2, 5																																		
Rationale: Research shows that students with higher absenteeism rates have lower scores on standardized tests thus creating an immediate need for intervention. The chart below is based upon a 4 year study of attendance data.
