

***Parental Release
School Transportation***

I request that my child be released from the school's supervision at the end of activity listed below. I, or the adult person designated below, will be at the departure point when the team or group is ready to leave. I, or my designee, will wait until attendance is taken of all students before I ask for my child. If I, or my designee, is not at the departure point when the group is ready to leave, the student will return with the school transportation.

This signed form must be presented to the sponsor of the activity when the student is picked up.
