	\$778.75		\$857.50		\$122.50	

Please refer to this chart to assist in scheduling payments to maintain a positive balance in your family meal account at all times. **Maintaining a positive balance will ensure that your student/students will be eligible to charge a hot, nutritious meal every day.** Middle School and High School students have the option to make a la carte purchases and charge to their family account; as long as they have a positive balance. **ALL** High School students will be charged for large portions and double meals in the main line, including students who have been blocked from a la carte and/or students whom are eligible for free meals. **Single milk price is \$0.40** for **ALL** students, including students whom are eligible for free meals. If you have any questions regarding meal account balances, account charges, student access to a la carte, etc., please call the Cozad Community Schools District Office at 308-784-2745.
