### **Fall River School Staff 2021**

As we go back to school, our desire is still to have as normal a year as possible. Administrators and school nurse will look at the local health data each week and plan to let parents and students know by Thursday what the restrictions or mask requirements will be for the next week. When this plan was approved by the school board, the data for our district wasn't good, so the plan was based on that data. As the data improves, we will relax some of the safety measures, including making masks optional.

For our return to school, almost no one wants us to return to the restrictive atmosphere that we had last year. We will make these decisions based on the local data and how many of our students have COVID or are close contacts. Decisions will be made based on local data, not our feelings or emotions.

When you read on the first page of the plan, you will see a reminder of how we were successful last year in keeping the school open. I firmly believe that the most important thing we can do as parents and staff is, if kids or staff are sick, don't come to school. It is everyone's responsibility to not come to school if they are in questionable health. Nurse Jessica is always willing to assist you in determining if you should send your child to school or not. Having almost the entire staff vaccinated is a real plus in this area and having as many older students vaccinated as possible will also help keep us open.

We all know the only constant the past year and a half is change. So be ready, here we go again!

## **Pirate's Plan for Safer Sailing**

Administrators and school nurse will look at the local data each week and plan to let you know by Thursday what the restrictions or mask requirements will be for the next week. When this plan was approved the data for our district wasn't good, so the plan described below is for the first day of school, Monday, August 30th, based on that data. If the data tells us something different by the first day of school we will let you know. We all know the only constant the past year and a half is change. So be ready, here we go again!

*We understand that there is an inherent risk with attending school at any time, including now. However, we are providing many safeguards to support our students and families.*

*We have established the health measures below to promote everyone's safety. Please note we will continue to monitor guidance and adjust these measures as necessary.*

### **Lessons Learned Last Year**

Last year we did five main things that help keep our students and staff safe. Based on our experience, if we did these, we kept COVID-19 from spreading at school.

1. Stay home if you are sick
2. Sanitize and clean
3. Separate
4. Quarantine
5. Masks

We now have added the extra layer of protection with vaccinations.

### **Current Conditions:**

In general, conditions are better than the start of school last year. All people, aged 12 and older, are eligible for a vaccine. Vaccines are readily available and those who want them have had time to get them. Statistics show us that the potential for severe adverse effects on students less than 12-years-old are usually minimal, but some significant consequences have occurred. The largest concern with young children is still tied to the spread from unvaccinated family, friends, and community.

Current health department recommendations suggest a layered approach to reducing spread and preventing outbreaks. This plan looks a little different from the start of last year and places more responsibility on families and individuals to make personal choices for the good of our entire organization. The most important step we can all take is to continue to stay home, and keep children home, when they are sick.

## **Universal Precautions:**

### **Hand Washing and Sanitizing:**

Hand sanitizer will be readily available for use entering the building, classrooms and within classrooms. High touch surfaces will be routinely cleaned. Sanitizing machines will be used twice a week in each room.

### **Physical Distancing:**

Classrooms will return to pre-pandemic operations which allow for small groups, sharing of equipment, and other scenarios ideal for teaching and learning. When possible, students will be encouraged and provided seating arrangements which allow at least three (3) feet of distancing between students and staff. Staff and students are always able and encouraged to wear masks in situations where less than three (3) feet of social distancing is not possible.

### **Masks:**

Masks are recommended for all students in the school building. The CDC highly encourages masks for anyone who has not been fully vaccinated. At this time the choice to wear or not wear a mask is based on a personal choice for 7<sup>th</sup>-12<sup>th</sup> grade. Since not all students in 4K-6<sup>th</sup> grade are eligible for the COVID vaccine at this time, these grades will be required to wear masks during school hours while indoors and not eating, drinking or during swimming classes. Harassment of any type toward mask wearers or non-mask wearers based on this choice will not be tolerated. As a district we will honor the choices of our students, staff, and families as restrictions are removed.

(Masks are still required on the buses for all grade levels at this time due to the federal order)

## **Structures in Place to Increase Safety at Fall River Schools**

- Per national order, masks to be worn while in school vehicles.
- Increasing hours of nursing services
- Sanitizing each room with Clorox Electrostatic twice a week
- Classes may be held outside at times, especially physical education
- Middle School and High School continuing a modified block schedule, reducing in half the number of students and staff that will come in contact with each other each day
- Field trips will be allowed. Parents may drive their children to the field trip location if they choose to not have them ride the school bus. Chaperones may assist on the field trip, but they will be required to prove that they have had a negative Covid-19 test that was administered in the past 48 hours before the event or show a vaccination card proving they are 14 days past their 2<sup>nd</sup> dose of the vaccine.

## School Exclusion Guidelines (Staff & Students)

<b>A Student or Staff Member who displays symptom(s) of Covid-19</b>	
<b>Symptom</b>	<b>PROTOCOL</b>
<b>Within the last 24 hours</b>	When a student or staff member can return to school
Cough	<ul style="list-style-type: none"> <li>• Should stay home for 10 days, quarantine and seek medical attention to get tested for Covid.</li> <li>• If test positive:               <ul style="list-style-type: none"> <li>○ should isolate for 10 days and may return after 10 days if symptom free for the past 24 hours without medication.</li> </ul> </li> <li>• If test negative:               <ul style="list-style-type: none"> <li>○ If a close contact, or had known exposure (and not vaccinated) must quarantine for 7 days and return on day 8 with a negative test after day 5 and have no symptoms or return after day 10 with no test.</li> <li>○ If not a close contact or had known exposure, may return after symptom free for 24 hours with a medical professionals note.</li> </ul> </li> <li>• If has symptoms but is diagnosed by a medical professional to another condition (not Covid-19) and have a note stating that they are clear to return to school.</li> <li>• Medical professional may be local health care provider. School nurse Jessica is also available Monday, Wednesday and Friday to speak with about the condition at 920-484-3333 ext. 229. Outside of those hours she may be emailed at: <a href="mailto:jsampolinski@fallriver.k12.wi.us">jsampolinski@fallriver.k12.wi.us</a></li> </ul>

<ul style="list-style-type: none"> <li>• Chills</li> <li>• Fever – 100.4 or higher</li> <li>• Muscle Aches</li> <li>• Headache</li> <li>• Sore throat</li> <li>• Fatigue</li> <li>• Congestion or runny nose</li> <li>• Nausea or vomiting</li> <li>• Diarrhea (2 or more watery stools)</li> </ul>	

Anyone who can prove they are 14 days past their 2<sup>nd</sup> dose of the vaccine will not be required to quarantine if they are determined to have a close contact exposure to someone with Covid-19. Also anyone required to wear a mask and wearing it properly will not need to quarantine if determined to be a close contact, within 3 feet for greater than 15 minutes.

## Home Health Screening Guidelines

- All parents/guardians of students attending school will be advised to complete a daily health screening at home every morning before bringing their child to school. The health screening will include temperature screening and the following questions:

- Does your child have a temperature over 100.4 Fahrenheit within the last 48 hours?
- Has your child been in close contact with a confirmed case of COVID-19?
- Is your child experiencing a cough, shortness of breath, difficulty breathing, or sore throat within the last 48 hours?
- Does your child have a new loss of taste or smell?
- Does your child have muscle pain or chills?
- Does your child have any other illness symptoms including vomiting, diarrhea, continuous nasal drainage, or rash in the last 48 hours?
- All staff will be advised to complete the same health screening and questions, directed at themselves, every morning at home before coming on school property.

### **Guidelines for students who become sick at school**

- An isolation area will be near the health office to separate anyone who exhibits above illness symptoms. The isolation area will be cleaned and disinfected between each use.
- Children will be provided mask or face cover to wear in the isolation area while awaiting pick-up.
- Parent/guardians will be contacted promptly to pick the child up as soon as possible.
- Staff person with face covering will monitor the student while awaiting parent/guardian's arrival.
- Student may not return to school until all above illness criteria are met. It is recommended parent/guardians call the child's primary care provider for further direction/recommendations.

### **Guidelines for Staff who become sick at school**

- Staff will be sent home if they develop illness symptoms (see above illness guidelines) during work.
- The staff member may not return to work until all illness criteria is met. It is recommended the staff person call their primary care provider for further direction/recommendations.

**This plan is subject to change at any time based on current conditions. It may be necessary to reinstate precautions used in the past or it may be possible to remove restrictions laid out in this plan.**

Hello Fall River,

As we are back into the new year, I want to let parents know that attendance matters! Good school attendance is one of the major indicators of student academic and social success. We have found over the last year that some of our students just do not learn as well if they are not in school, so in advance, thank you for ensuring that your child is here on time each day. Our teachers work extremely hard to provide quality lessons to all learners, and it is important that our students are here on time daily. We do know that medical appointments and family emergencies do happen, so please let our office know of these events and always bring back doctor notes that excuse those absences. We also have learned that we do not want to have students attend that have any type of cold symptoms. We ask that parents please just have open communication with the district. We know that every minute of our learning day counts, and we look forward to learning and growing together this year!

My last point this month is for parents and students. Please "Get Involved!" One of the best ways to embrace the new school year is to get involved—both students and their parents. For our students, we have many opportunities to grow and learn in clubs, organizations, band, choir, and athletics, so please find ways to get connected. For parents, joining and participating in the PPO (Pirate Parent Organization), Pirate Foundation, and/or the Booster Club are some really great ways to stay connected to your school and all that is happening in Fall River. Remember if you are interested in being part of any field trips this school year, please be sure to complete the chaperone paperwork in order to work with and/or supervise our students. If you would like more information on any of these opportunities, please contact our office staff or me directly. We are so proud of Fall River School District and our community, and we look forward to our continued partnership with you, our valued parents, and guardians, again this school year. Go Pirates!

## Back to School Night

August 26th, 2021

**1:00 to 6:00 (Pictures 4:30 pm to 6:30 pm)**

We will be having our school supply drive during back to school night, a few things we are in need of this year are: box tape, hot glue sticks, scissors, sharpies, color pencils, scotch tape, glue sticks, pencils, and dry erase markers. Any supplies will be greatly appreciated.

Please remember, this is a community event, and students must be accompanied by an adult.

Please consider attending a Pirate Parent Organization (PPO) meeting. It's a great way to get involved in your school. Check us out at Back to School Night.

New people and  
ideas are always  
welcomed.

# Pirates Food Service Newsletter 2021-2022

***You might ask, how healthy is school lunch? The answer to this is ...very healthy!***

In 2010 the "Healthy Hunger Free Kids Act" was released that applies to the National School Breakfast Program-NSBP and the National School Lunch Program-NSLP

All meals (breakfast and lunch) are based on a meal pattern. Each meal depending on age group must contain a certain number of calories, fat, sodium, fruit, vegetable (dark green, red/orange, beans/pea/legumes, starchy, and other categories, grains, meat/meat alternates (alternates include items such as cheese and yogurts), and fluid milk.

All juice served is 100% fruit juice with no added sugar.

All plain milk served is 1% and flavored milk is fat free.

All grain products are whole grain rich which means all grains offered need to contain 51% or more whole grain product.

All items are oven baked, we do not fry anything.

Dear Parents/Guardians:

Welcome back! We are hoping that this year will be more "normal" than last year was. One of the benefits that came out of last year and which will continue this school year is free breakfasts and lunches! Thank you USDA! 4K is included in this and they will be receiving a breakfast in their room and a lunch to go home with them daily.

We plan to have microwaves available for student use this year.

There is a drinking fountain as well as a bottle filler right in the cafeteria for your child's water needs.

We intend to have a salad bar more regularly for MS/HS.

If your child has a special dietary need please make sure you have a doctor's note and that the school nurse as well as myself are made aware of that information.

I am available for questions or concerns, and as always, the food service staff looks forward to seeing the students on the first day of school!

## Free School Meals!!!

Breakfast and Lunch will be FREE for all students for the 2021-2022 School Year.

\*Students must have money in their account to purchase a la carte items. (Such as an extra entrée, a milk by itself, or Smart Snack compliant treats for MS/HS)

### How Do I Put Money On My Account for A la Carte Items?

- Online at Campus Parent, click on Food Service (service fee will apply)
- Send cash or check with your student and place it in the deposit box outside of the District Office. Envelopes provided.

Send check to Fall River School District, Attn: Andrea Stier, 150 Bradley St, Fall River, WI 53932

Parents/Guardians/Students may access lunch menus at: <https://www.fallriver.k12.wi.us/o/fall-river/dining>

Just because meals are free for all this year doesn't mean you shouldn't still sign up for free and reduced meals if you qualify. These applications are used in determining P-EBT payments, fee waivers and Title I funding for the school.

### ***Free & Reduced***

Apply online at Campus Parent, click on More, then Meal Benefits

Visit the Fall River School District website, click on Parents and Community, then Free and Reduced Information. Email completed application to [astier@fallriver.k12.wi.us](mailto:astier@fallriver.k12.wi.us).

\*\*If your student automatically qualifies for free and reduced meals through Direct Certification, an application is not needed.

Contact Andrea Stier at [astier@fallriver.k12.wi.us](mailto:astier@fallriver.k12.wi.us) or 920-484-3333 x222

## Bringing a lunch from Home?

Add a fruit, veggie, and a milk for free!

If your child prefers to bring their favorite lunch from home, they may still add a fruit, veggie, and milk from our serving line at no extra charge! They must choose 3 items to count as a free lunch!

\*Milk by itself will cost .35.

## WELCOME TO OUR NEW STAFF!!!

Hi! My name is Erin Anderson and I will be teaching 3rd Grade this year. My first teaching job after I graduated from UW-Stout, was in Fall River in 2000. I taught for three years and then 'retired' to be a stay at home mom. I live in Randolph with my husband Brian and our three sons. Our boys are all grown up and I am thrilled to have the opportunity to teach in Fall River again. Evan is a Freshman at FVTC in Appleton, Austin is a Junior in high school and works at Kirchberg Repair and Jacob, our youngest, is in 8th grade. The last six years I taught 4K for the Waupun Area School District and I was a long term FACE substitute teacher in Fall River in 2014. In my free time I enjoy reading, traveling and spending time with my family. I feel blessed to have the opportunity to reconnect with colleagues. I look forward to getting to know the families of the Fall River School district.

Hi, my name is Dave Kapp and I am the new Buildings and Grounds Director. I am very happy to be here and I am looking forward to meeting everyone! With the help of my maintenance and custodial crew, I will do everything I can to have the building and campus as clean, safe, and welcoming as possible for the students, staff, and community of Fall River. Stop in any time!

I have been in education my entire career. I have been an English teacher, coach, and Athletic Director at both the middle and high school levels, and made the jump to Buildings and Grounds in 2015. My degrees are in English Writing, Special Education, and Curriculum & Instruction.

My wife Tammy and I live in Madison with our two dogs, Mack and Stanley.

Hi Fall River Staff, Families, and Students!

My name is Tabitha Stelter and I am the new school counselor for the district. This will be my 15th year as a counselor so I'm not brand new though. I grew up in Lake Geneva, WI and moved to Montello in 2015 where I currently live. While it is a little bit of a hike, I love listening to the radio and really do enjoy driving. I live with my two children, 8 and 10 years old. We also have a really old cat and a rambunctious younger cat. They both keep us busy in their own ways.

When I'm not spending time with my children or cats I enjoy running, gardening and cooking. I love being outdoors when the weather is just right and could do just about anything on a sunny day! I am so excited to work with students in all grades here at Fall River School District. My previous experience was with elementary students in the Wisconsin Dells and prior to that middle school. I truly love them all and can't wait to learn more about the students and staff here at Fall River.

## Voice of Democracy (High School)

**The 2021-22 theme is: *America: Where Do We Go From Here?***

Established in 1947, our **Voice of Democracy** audio-essay program provides high school students with the unique opportunity to express themselves in regards to a democratic and patriotic-themed recorded essay. Each year, nearly 64,500 9-12 grade students from across the country enter to win their share of more than \$2 million in educational scholarships and incentives awarded through the program.

The national first place winner receives a \$30,000 scholarship paid directly to the recipient's American university, college or vocational/technical school. A complete list of other national scholarships range from \$1,000-\$16,000, and the first place winner from each VFW Department (state) wins a minimum scholarship of \$1,000. Want to apply? Read [the rules and eligibility requirements](#), and [download and complete the 2021-2022 Voice of Democracy entry form](#) as all student entries must be submitted to Fall River VFW, Charmaine Schultz 920-210-9892 by **midnight, Oct. 31**.

## Patriot's Pen (Middle School)

**The 2021-22 theme is: *How Can I Be a Good American?***

Each year more than 165,400 students in grades 6-8 enter the VFW's **Patriot's Pen** youth essay contest for a chance to win their share of more than \$1.4 million in state and national awards. Each first place state winner receives a minimum of \$500 at the national level, and the national first place winner wins \$5,000!

The essay contest encourages young minds to examine America's history, along with their own experiences in modern American society, by drafting a 300- to 400-word essay, expressing their views based on a patriotic theme chosen by the VFW Commander-in-Chief. Want to apply? [Read the rules and eligibility requirements](#), and [download and complete the 2021-2022 Patriot's Pen entry form](#) as all student entries must be submitted to Fall River VFW, Charmaine Schultz 920-210-9892 by **midnight, Oct. 31**.

Library is offering limited in-person programming for children and teens this fall. Sign-up is required and can be done by visiting our website or by calling the library at 920-623-5910. A complete list of upcoming programs can be found on the library's website.

**CHILDREN**

**Storytime in the Annex**

**Every Tuesday, 10:00am**

Storytime is returning in person at the library! Miss Bethany and Miss Susan are excited to see you books, songs, and a craft to take home! Please sign up so we know you and your child(ren) are coming. Storytime videos will still be posted twice a month on our Facebook page.

**Wednesday Kids' Programs**

**3:30pm at the Library Annex**

**Registration required - visit library website or call the library to register**

**Sep 1: Crafternoon: Hedgehog Craft** - We will have two different hedgehog crafts to do this month.

**Sep. 8: Movie Day** - Movie choices will be selected ahead of time and voted on at the event.

**Sep. 15: What Makes Balls Bounce?**

Learn about elasticity and make your own bouncy ball!

**Sep. 29: Bonus Activity: Monarch Migration**

We have an extra Wednesday in September! For this day we'll be playing a documentary about the monarch migration and doing some butterfly-related activities as time allows. Come celebrate these beautiful and amazing creatures!

**TEENS (Grades 6-12)**  @ColumbusLibTeens

We are returning to in-person programming! Registration is required for all in-person programming and will be held in the library's Annex.

**Escape Room**

**Tuesday, September 21**

**4:00pm -6:30pm**

**Registration Required**

Solve the puzzles and find the clues before the clock runs out! Sign up (individually or as a team) at the upstairs library counter or call the library, 920-623-5910, for a time slot (earliest slot is 4PM, last slot is at 6:30PM).

**Teen Take and Make Craft Kits**

We are going to continue putting a Take and Make craft in the teen area each month. Stop in to see what you can make! There will be no in-person program for these crafts, and the kits will be available on a first-come, first-served basis. (Watch out for November's Interactive Movie Take and Make!)

The Fall River School/Community Calendar can be found by going to the Fall River School website ([www.fallriver.k12.wi.us](http://www.fallriver.k12.wi.us)) and clicking on Events. If you would like to receive email reminders or notices of changes to any events, you may do this by clicking on the "notify me" tab on the bottom right of the Fall River Calendar page and following the prompts. There is also a tab called "Get the Mobile App" that will add events from the calendar right into your personal calendar.

**Got Glazers???**

The girls basketball team has an ongoing fundraiser to help with summer camps and tournaments. The fundraiser consists of selling Kwik Trip Gift Cards that can be used for gas or other purchases. There is no additional cost to the buyer. We currently have cards in \$10, \$20, \$25, \$50, and \$100 denominations. If you would like to support the team by purchasing a card, please see any girls' basketball team member or Mr. Doolittle. Checks can be made out to Fall River School. This fundraiser will be ongoing, so cards will be available throughout the year.

**Alumni News**

If you have any alumni news to share, email it to Colleen Waterworth at [cwaterworth@fallriver.k12.wi.us](mailto:cwaterworth@fallriver.k12.wi.us).
