

Quitman ISD

Chromebook Usage Procedures and Information

2021-2022

The focus of the Chromebook Program at Quitman ISD is to provide tools and resources to the 21st Century Learner. Excellence in education requires technology to be seamlessly integrated throughout the educational program. The use of electronic devices provides a simple and portable way to manage information and allows students constant access to learning opportunities. The individual use of technology is a way to empower students to maximize their full potential and to prepare them for college and the workplace.

Learning results from the continuous dynamic interaction among students, educators, parents, and the extended community. Technology immersion does not diminish the vital role of the teacher. To the contrary, it transforms the teacher from a director of learning to a facilitator of learning. Effective teaching and learning with electronic devices integrates technology into the curriculum anytime, anyplace.

The policies, procedures, and information within this document apply to all electronic devices used at Quitman ISD, including any other device considered by the Administration to come under this policy. Teachers may set additional requirements for use in their classroom.

1. RECEIVING YOUR CHROMEBOOK & CHECK-IN

1.1 Receiving Your Chromebook

Chromebooks will be distributed to students at a time determined by their campus. Please review our Acceptable Use Policy on the school webpage <http://www.quitmanisd.net>

1.2 Chromebook Check-in

Individual school Chromebooks and accessories must be returned to Quitman ISD at the end of the school year so they can be checked for serviceability. Students who graduate early, withdraw, are suspended or expelled, or terminate enrollment at Quitman ISD for any other reason must return their individual school Chromebook on the date of termination. Discipline issues could result in a device being taken up sooner.

1.3 Check-in Fines

If a student fails to return the Chromebook at the end of the school year, or upon termination of enrollment at Quitman ISD, that student will be subject to criminal prosecution or civil liability. The student will also pay the replacement cost

of the Chromebook. Failure to return the Chromebook will result in a theft report being filed with the Quitman Police Department. Furthermore, the student will be responsible for any damage to the Chromebook, and must return the Chromebook and accessories to Quitman ISD in satisfactory condition. If the Chromebook is damaged and/or accessories are missing or damaged the student will be issued an invoice for the cost of the damaged or missing accessories. The invoice for any damages must be paid before the student is issued another Chromebook.

- Chromebooks must never be left in any unsupervised area.

3. USING YOUR CHROMEBOOK AT SCHOOL

Chromebooks are intended for use at school each day. In addition to teacher expectations for Chromebook use, school messages, announcements, calendars and schedules may be accessed using the Chromebook. Students are responsible and expected to bring their Chromebook to all classes.

3.1 Chromebook Left at Home

If students leave their Chromebook at home, they are responsible for getting the course work completed as if they had their Chromebook present. This may also result in a discipline consequence.

3.2 Chromebook Undergoing Repair

Under certain circumstances a loaner Chromebook may be issued to students when they leave their Chromebook for repair in the Library/Media Center. There may be a delay in getting a Chromebook should the school not have enough to loan. If no loaner is available, students are still responsible for all work assigned by teachers.

Chromebooks must be brought to school each day in a fully charged condition. Students need to charge their Chromebooks each evening.
