**BOARD OF EDUCATION
LEGAL STATUS**

The Frontier Board of Education is comprised of five (5) members elected by a vote of the District electors. The Board of Education derives its authority from state law. The board's power is judicial and legislative, and the superintendent selected by the board serves as its executive officer. **When not in legal session, a board member has no legal authority whatsoever.**

The legislative function of the board is to make plans and policies, select the superintendent and delegate to him or her the responsibility to place plans and policies into operation, and provide the financial means for their achievement.

The judicial function of the board is to hear and resolve hearings, grievances, disciplinary appeals, public complaints and other actions of a judicial nature.

CONTINUING EDUCATION FOR BOARD MEMBERS

Instruction for New and Incumbent Board Members:

Except as provided below, at the time a school district elector files a notification and declaration of candidacy for the office of board of education membership, the elector shall agree and pledge in writing that, upon election or appointment as a member of the board, he or she will attend a two-day workshop to be held by the State Department of Education or, upon approval of the State Board of Education, attend 12 hours of other workshops held by another organization or association representing Oklahoma school district boards of education, for study and instruction concerning school finance, the Oklahoma School Code and related laws, and the ethics, duties and responsibilities of board of education members. If elected, the elector must complete the workshop(s) within 15 months following or preceding his or her election.

When an incumbent board member file a notification and declaration of candidacy for reelection to the board of education, the incumbent shall not be required to comply with the statutory requirement described above if the incumbent produces a certificate of completion showing that he or she has completed the workshop described above. However, the member will be required to agree and pledge in writing that, upon reelection, he or she will attend a six-hour workshop emphasizing changes in school law, within 15 months following his or her election.

Upon completion of the workshop(s) described above, the member's certificate of completion will be included in the public records of the board's minutes.

Any member of the board or any individual elected, certified as the elected member by the county election board, but not sworn in and seated as a member of the board of education at the time of a workshop, who attends and successfully completes a workshop as required above, shall be reimbursed for expenses incurred, not to exceed compensation in the sum of \$25 per day and actual expenses that are itemized and documented for lodging, meals, registration fees and transportation to and from the place of the workshop, as provided in the State Travel Reimbursement Act.

Continuing Education Requirements

In addition to the workshop requirements described above, every member of the board shall be required to attend a minimum of 15 hours of continuing education during any full term of office of the member. The continuing education courses, local and state workshops, seminars, conferences and conventions that will satisfy these requirements will be held within the state and will be approved jointly by the State Department of Education and the State Department of Career and Technology Education. Failure by a board member to satisfy the continuing education requirements of this section shall result in the ineligibility of the member to run for reelection to the board of education. Any member of the board who

attends and completes a course that satisfies in part or in full the requirements of this policy shall be reimbursed by the district for expenses incurred. This paragraph shall not apply to those school board members who filed for reelection prior to July 1, 1991.

Failure to Meet the Educational Requirements

Upon receiving any notice by the State Board of Education that a board member has not completed their instructional or continuing educational requires, both the board member and the superintendent shall alert the board to such default.

Upon receiving a final certified notice by the State Board of Education, the board member shall have sixty (60) days in accordance with Oklahoma law to complete the requirements. Should a board member not complete the required instructional or continuing educational requirements within that time period, the board shall declare the board member's seat vacant in accordance with Oklahoma law. The board seat must be declared vacant within sixty (60) days of the last date the board member had to complete the instructional or continuing education requirements according to the final certified notice by the State Board of Education.

Any board member who does not obtain the required education will be ineligible, pursuant to Oklahoma law, to serve on the board of education for a period of 2 years.

BOARD VACANCIES

The Board of Education shall determine if and when a vacancy occurs on the board. Such vacancy shall be filled by appointment, and the appointee shall serve until the next regular election if the person is appointed to fill such vacancy in the first half of the term of office for the board position. If the person is appointed to fill such vacancy after the first half of the term of office for the board position, then the appointee shall serve for the balance of the unexpired term. If no one is appointed within sixty (60) days of the date the board declared the seat vacant, a special election shall be held and the elected member shall fill the vacancy for the unexpired term.

Each board member is expected to attend all board meetings. If an emergency situation should arise which will prevent a board member from attending a scheduled meeting, the board member should notify the board president or the superintendent. Three or more consecutive unexcused absences from board meetings may constitute abandonment of office, and the board may declare the position vacant only after affording the board member an opportunity to explain whether good cause exists for absences. Whether and under what circumstances a board member can be removed is controlled by Oklahoma law. The board may fill a vacancy as prescribed by law.

1. Regular Meeting – the usual, official legal action meeting held regularly.
2. Continued or Reconvened Meeting – a meeting assembled for the purpose of finishing business appearing on an agenda of a previous meeting.

4. Emergency Meeting – an official legal action meeting held only for dealing with situations involving either injury to persons or injury or damage to public or personal property or immediate financial loss so severe that the 48-hour notice period for a special meeting would be impractical and increase the likelihood of injury or damage or immediate financial loss.

A “meeting” is defined as the gathering of a quorum of members of the School District to propose or take legal action, including any deliberations with respect to such action.

No meetings will be held by teleconference. However, meetings may be held by videoconference as long as the meeting conforms to the requirements of Oklahoma’s Open Meeting Act. Accordingly, any meeting conducted by videoconference must meet the following requirements:

- A quorum must be present in person.
- The meeting notice and agenda prepared in advance of the meeting shall indicate that the meeting will include videoconferencing locations and shall state the location, address and telephone number of each available videoconference site, the identity of each member of the body and the specific site from which each member of the body shall be physically present and participating in the meeting.
- After the meeting notice and agenda are prepared and posted, no member of the public body shall be allowed to participate in the meeting from any location other than the specific location posted on the agenda in advance of the meeting.
- In order to allow the public to attend and observe each board member carrying out their duties, a member of the board desiring to participate in a

meeting by videoconference shall participate from a site and room from within the school district.

- Public bodies may provide additional videoconference sites as a convenience to the public, but additional sites shall not be used to exclude or discourage public attendance at any video at any videoconference site.
- The public shall be allowed to participate and speak, as allowed by rule or policy set by the public body.
- Any materials shared electronically between members of the public body, before or during the videoconference, shall also be immediately available to the public in the same form and manner as shared with members of the public body.
- All votes occurring during any meeting conducted using videoconferencing shall occur and be recorded by roll call vote.
- *Executive sessions by videoconference are prohibited.*

Special meetings of the board may be called by the president at any time, and he/she shall call special meetings whenever so requested, in writing, by any member of the board. Business transacted at any special meeting may be for either a specific or a general purpose.

**BOARD OF EDUCATION
NOTIFICATION OF MEETINGS**

Notice of all meetings of the Board of Education shall be made in accordance with the Oklahoma Open Meeting Act.

Notice to County Clerk

Prior to December 15 each year, the Board of Education shall provide the county clerk a listing of the time, date and place of all regular meetings for the coming calendar year.

Any change in the date, time or place of a regular meeting shall be provided in writing to the county clerk at least ten days prior to implementing the change.

Notice of the time, date and place of a special meeting shall be provided to the county clerk in person, in writing, or by telephone at least forty-eight (48) hours prior to the meeting.

Emergency meetings may be held without the required public notice if it is reasonably believed that delay would increase the likelihood of personal injury, property damage or immediate financial loss to the district. The person calling an emergency meeting shall give as much advance notice as is possible in person or by telephone.

Meeting Notices

At least twenty-four (24) hours prior to a regular or special meeting, a meeting agenda shall be posted which shall include the date, time and place of the meeting and the business to be undertaken at the meeting. The calculation of the twenty-four (24) hour period shall exclude Saturdays, Sundays, and holidays.

Written notice of the date, time and place of the meeting will be mailed or delivered to each person, newspaper, wire service, radio station and television station that has filed a written request for such notice. Such requests must be renewed annually, and an annual fee of Eighteen Dollars (\$18.00) will be charged each person or entity that requests written notification.

Continuing Meetings

In the event any meeting of the Board is to be continued or reconvened, public notice of the action, including the date, time and place of the continued meeting, shall be given by announcement at the original meeting. Only matters appearing on the agenda of the meeting which is continued may be discussed at the continued or reconvened meeting.

Internet Website

Within 6 months of the establishment of an internet website the district shall make available on their website or on a general website, if a general website is used, a schedule and information about regularly scheduled meetings of the district's board of education. The information shall include the date, time, place and agenda of each board meeting. When reasonably possible the district shall also provide information about the date, time, place and agenda of any special or emergency meeting of the district's board of education.

Videoconference

In any instance in which the Board, in accordance with the Open Meetings Act, will conduct a meeting by videoconference, its meeting notice and agenda shall indicate that the meeting will include videoconferencing locations and shall state the location, address, and telephone number of each available videoconference site. The notice and agenda shall also state the identity of each member of the board of education who shall participate in the board's meeting by videoconference and the specific site from which each member of the board shall be physically present and participating in the meeting.

**BOARD MEETING PROCEDURE
QUORUM**

A quorum consisting of a majority of the board membership shall be necessary to conduct business at a meeting of the Frontier Board of Education. In the event that a quorum is not present and a regularly scheduled board meeting cannot be convened, the meeting shall be cancelled. If a regularly scheduled board meeting is cancelled due to lack of a quorum, a notice of such cancellation shall be immediately prepared and posted with the original agenda of the cancelled meeting. A special meeting may then be called with the appropriate minimum of 48 hours' notice to the county clerk. The agenda for the special meeting shall include all of the items listed on the agenda of the regular meeting.

If a quorum is present, but the meeting needs to be relocated due to lack of space, building problem, etc., a motion to reconvene the meeting at another place will be made and voted upon. If the board decides to reconvene the meeting, the decision will be announced and a written notice will be posted with the original agenda showing the date, time and place of the reconvened meeting. The minutes of the original meeting will reflect the decision to reconvene and the full announcement.

**BOARD MEETING
PUBLIC PARTICIPATION**

All regular, special and emergency meetings of the Frontier Board of Education shall be open to the public. Board records will be available for inspection during customary office hours and may be copied as provided under the School District's Open Records Act policy.

The board desires citizens of the District to attend its sessions so they become better acquainted with the operation and program of the school and so the board may have an opportunity to hear the wishes and ideas of the public.

To assure that persons who wish to appear before the Frontier Board of Education may be heard and, at the same time, conduct its meetings properly and efficiently, the board adopts as policy the following procedures and rules pertaining to public participation in regular board meetings:

1. Anyone wishing to speak before the board, representing either him/herself or a group, must inform the superintendent in writing of his/her desire to address the board and identify the topic to be discussed, at least seven (7) days before the regular meeting.
2. At the regular board meeting, the board president is responsible for recognizing the speaker, who must give his/her name and identify the group, if any, he/she represents.
3. A maximum of 15 minutes will be allotted for "Comments from the Public." The time allotted for individual speakers will be three minutes. The length of time for individual speakers may be altered by approval and action of the board. Comments and questions from the speaker may deal with any topic related to the board's conduct of the school.
4. Any agenda item for which no public participation has been scheduled in advance of the meeting shall be acted upon without discussion by the public.
5. Questions of information asked by a speaker addressing the board will, when possible, be answered by the board president or referred to another board member or staff member for immediate reply or may be referred to legal counsel for a response. Questions requiring board action may be deferred for later consideration by the board.

The Board will not hear complaints about staff members or persons connected with the Frontier School District until those complaints have reached it through the proper administrative procedures.

PUBLIC COMPLAINTS

The board respects the right of community members to criticize its conduct of the School District, education program and staff members' job performance. But the board also recognizes its obligation to safeguard its staff members' rights to appropriate due process.

The board welcomes constructive criticism when it is motivated by a sincere desire to improve the quality of the education program and to help the school operate more effectively and efficiently.

An individual or group with a complaint will first contact the teacher or staff member involved and make every effort to work out a satisfactory understanding. If the complaint is not satisfactorily resolved, then the superintendent or the administrator of the program or department concerned will be contacted. If the complaint remains unresolved, then the complaining party may refer the matter to the board. The board will only consider complaints previously considered at the appropriate administrative levels.

Complaints may be submitted to the board in writing with desired actions specified. The complaint will be referred to the superintendent or appropriate administrator for study and possible resolution and recommendation. Any staff member involved will be advised of the nature of the complaint and given an opportunity to explain, comment and present facts.

The board will conduct any inquiry into such complaints in a fair and just manner, with due regard for applicable policies, procedures or laws that may affect how, when, or in what manner comments or statements are presented to the board.

BOARD OF EDUCATION
EXECUTIVE OFFICER – SUPERINTENDENT

The Frontier Board of Education recognizes that the superintendent of schools is the executive officer of the Board of Education and the administrative head of the school system. The superintendent must hold an administrator's certificate recognized by the State Board of Education. If the superintendent is employed for the first time in Oklahoma, he or she must attend training seminars as required by the Oklahoma Department of Education. The following duties have been established for the office of the superintendent of schools:

1. The superintendent is the executive officer of the board and the leader of the educational forces of the community. The board shall seek the superintendent's recommendation on school matters.
2. The superintendent shall attend the meetings of the board (except when his/her employment is being considered) and advise the board on all school matters.
3. The superintendent shall make recommendations to the board of candidates for teacher and supervisory positions, as well as other employees of the school system as the need arises. The board shall not normally employ a school employee against the recommendation of the superintendent. The board will direct the superintendent to make additional recommendations if necessary.
4. The superintendent shall devote him/herself to the study of public educational trends, keep the board informed on conditions of the schools of the District, and present recommendations for the determination of policy. The superintendent shall, once policies have been established, devise ways and means for their operation and make periodic reports on the success of such policies.
5. All purchases of supplies, materials or equipment shall be made on authority of a purchase order approved by the superintendent.
6. Responsibility for the operation and maintenance of the lunch program is delegated to the superintendent.
7. Responsibility for the operation and maintenance of the activity funds shall be delegated to the superintendent.
8. The superintendent shall prepare procedures for admitting non-resident children who apply for permission to attend school in this District, and for the transfer of children who apply for permission to attend schools in other districts.

9. The superintendent shall be responsible for the administration of suspensions and exclusions of children of compulsory school age for any reason.
10. The superintendent shall be responsible for providing the ways and means for teaching the subjects required by the State Board of Education and such other subjects as may be designated or approved by the Frontier Board of Education.
11. The superintendent shall have all school accounts audited each year and a copy of the audit filed with the clerk of the Board of Education.
12. The superintendent shall carefully observe the methods of instruction and the discipline of teachers; suggest improvements; remedy defects in their management; advise as to the best methods of instruction and discipline; and pay special attention to the classification of students, the program of studies and the apportionment of time allotted to each of the prescribed subjects.
13. The superintendent shall secure adequate plant facilities; standardize supplies, equipment and other materials used in the school; and formulate standard procedures for purchasing equipment in all departments of the school.
14. The superintendent shall prepare a well-coordinated budget by requiring the various divisions of the school system to participate in its development.
15. The superintendent shall have the authority to close the school in case of emergency.
16. The superintendent shall periodically visit schools in other cities to observe developing educational trends and to suggest appropriate means for the advancement of the Frontier School District.

BOARD-SUPERINTENDENT RELATIONSHIP

Delegation by the board of its executive powers to the superintendent provides freedom for the superintendent to manage the schools within the board's policies and frees the board to devote its time to policy making and other governance functions.

The board holds the superintendent responsible for the administration of its policies, the execution of board decisions, the operation of the internal machinery designed to serve the school program, and for keeping the board informed about school operations and problems.

The board as a whole, as individual members, shall:

1. Give the superintendent full administrative authority for properly discharging his or her professional duties, holding him or her responsible for acceptable results.
2. Except under extraordinary circumstances, act only upon the recommendation of the superintendent in matters of school personnel.
3. Hold all meetings of the board in the presence of the superintendent except when the superintendent's contract, salary, or employment are under consideration.
4. Refer all complaints to the superintendent and discuss them only at a board meeting after administrative solutions fail to resolve the complaints.
5. Strive to provide adequate safeguards around the superintendent and other staff members.
6. Present personal criticisms of any employee directly to the superintendent.

**TERM OF OFFICE AND SALARY
OF SUPERINTENDENT**

The superintendent of the Frontier School District shall be employed for a term specified by this board and will be employed on a twelve-month basis, with vacation time to be agreed upon. The salary of the superintendent, including all fringe benefits, if any, will be determined prior to the execution of an employment contract and shall be stated therein.

It is the policy of this board to consider the issuance of the superintendent's contract each year to insure continuity and stability in the office. The renewal of the contract shall be considered in January each year. In its discretion, the board may contract with the superintendent for a term as mutually agreed upon, but not to exceed three (3) years beyond the fiscal year in which the contract is approved by the board and accepted by the superintendent.

Prior to considering the superintendent's contract for renewal, the board shall complete and present to the superintendent an evaluation form pertaining to the superintendent's performance.

The superintendent's employment contract shall include terms and conditions as agreed upon in writing by the board and the superintendent and will be filed by the superintendent with the State Department of Education within fifteen (15) days after it is signed. The board may not pay any salary, benefits or other compensation not specified in the contract on file and may not pay any amounts for accumulated sick leave or vacation leave benefits not calculated on the same formula used for determining payments for such benefits for other full-time employees of the district.

EVALUATION OF THE SUPERINTENDENT

The Frontier Board of Education, in recognition of its accountability to the community and its obligations under state law, will conduct an annual formal evaluation of the superintendent. The evaluation shall be conducted toward the goal of improving the Frontier School District through an improving superintendency.

Members of the board will first evaluate the superintendent independently, using a written form adopted by the board for this purpose. The board will convene to discuss the assessments and to prepare a composite evaluation. The composite evaluation will be discussed by the full board and the superintendent. The board and the superintendent will each retain a copy of the written evaluation report.

Evaluation of the superintendent shall be conducted in such manner as to:

1. Provide positive and constructive feedback to the superintendent that will support and promote the superintendent's professional growth and development;
2. Help the board evaluate its work in planning the educational program in this community; and
3. Strengthen the working relationship between the board and the superintendent by providing a comprehensive vehicle of communication.
