I am writing to inform you that a Student who attends Valley High
school has been identified as a close contact to an individual diagnosed with COVID-19. They are self quarantining at home, have displayed no symptoms of the virus, and have not tested positive. Due to privacy laws, we cannot disclose further information. Individuals identified as being a close contact must quarantine and may not return until they meet the criteria set forth by the health department to return.

The local health department is aware of this situation. Based on guidance from the health department and other agencies, ALL buildings have been deeply sanitized and they will not be closed. District employees and students should continue to follow current guidelines and recommendations.

As a precaution, we continue to encourage you to monitor your health and contact your doctor if you develop any symptoms of COVID-19.

The District will continue to monitor this situation and we will provide additional information as permissible.

Sincerely,
Superintendent
