

**TRAVEL EXPENSES**

The Board of Trustees recognizes that district employees may incur expenses in the course of performing their assigned duties and responsibilities. To ensure the prudent use of public funds, the Superintendent/Principal or designee shall establish rules to keep such expenses to a minimum while affording employees a reasonable level of safety and convenience.

*(cf. 9250 - Remuneration, Reimbursement and Other Benefits)*

The Board shall authorize payment for actual and necessary travel expenses incurred by any employee performing authorized services for the district, whether within or outside district boundaries. (Education Code 44032)

The Superintendent/Principal or designee shall establish procedures for the approval of travel requests and the submission and verification of expense claims. He/she also shall establish reimbursement rates in accordance with law and Board policy.

An employee shall obtain approval from the Superintendent/Principal or designee prior to traveling. The Superintendent/Principal or designee may approve travel requests in accordance with the adopted budget and upon determining that the travel is authorized or assigned by the employee's supervisor, is necessary to attend a conference or other staff development opportunity that will enhance employee performance, and/or is otherwise necessary to the performance of the employee's duties. Travel expenses not previously budgeted may be approved on a case-by-case basis by the Superintendent/Principal or designee if he/she determines that the travel is essential and that resources may be obtained or redirected for this purpose.

Reimbursable travel expenses may include, but are not limited to, costs of transportation, parking fees, bridge or road tolls, lodging when district business reasonably requires an overnight stay, registration fees for seminars and conferences, telephone and other communication expenses incurred on district business, and other necessary incidental expenses.

The district shall not reimburse personal travel expenses including, but not limited to, tips or gratuities, alcohol, entertainment, laundry, expenses of any family member who is accompanying the employee on district-related business, personal use of an automobile, and personal losses or traffic violation fees incurred while on district business.

## **TRAVEL EXPENSES (continued)**

Except as otherwise provided, reimbursement of travel expenses shall be based on actual expenses as documented by receipts.

Employees are to use district vehicles for all transportation needed in the course of performing services to the district. In the event that suitable district vehicles are not available, employees may request authorization to use a personal vehicle. Authorization for use of personal vehicle may only be granted by the Superintendent/Principal or designee.

Authorized employees shall be reimbursed for the use of their own private vehicles in the performance of assigned duties, on either a mileage or monthly basis as determined by the Superintendent/Principal or designee. (Education Code 44033)

The mileage allowance provided by the district for employees' use of their private vehicles shall be equal to the rate established by the Internal Revenue Service.

Vehicles should be shared whenever possible to minimize travel costs. No employee shall be entitled to reimbursement for automobile travel when he/she is transported free of charge or by another employee who is entitled to the expense reimbursement.

Meal costs shall be reimbursed based on documented actual expenses within the maximum amounts established by the Superintendent/Principal or designee and based on the time of day that travel for district business begins and ends.

Any expense that exceeds the maximum rate of reimbursement established by the district shall be reimbursed only with the approval of the Superintendent/Principal or designee.

All expense reimbursement claims shall be submitted on a district form, within 10 working days following return from travel when possible. The form shall be accompanied by receipts and any explanation necessary to document that the expenses meet district criteria for reimbursement.

The Superintendent/Principal or designee shall approve expense claims only upon verifying that all necessary documentation is provided and that all expenses are appropriate and related to district business. If an expense claim is disallowed due to lack of documentation or inappropriate expenses, the employee may be personally responsible for any improper costs incurred.

When approved by the Superintendent/Principal or designee, an employee may be issued a district credit card for use while on authorized district business. Receipts documenting the expenses incurred on a district credit card shall be submitted promptly following return from travel. Under no circumstances shall personal expenses be charged on a district credit card, even if the employee intends to subsequently reimburse the district for the personal charges.
