

Class of 2022 Senior Portrait & Quote Requirement for Yearbook:

Dear Senior Parents/Guardians,

We want your senior's portrait in the 2022 *Rocketeer*!! The CNE yearbook is "open book" for senior portraits, so to make the process a little easier to understand, I've provided your options below. We do not want financial challenges to be the reason that your senior does not have quality photos. Please contact Ms. Wayne for more information.

Option 1: Student ID Photo	Option 2: Free McIntire Photo	Option 3: Submit Outside Photo
Your child may have their picture taken on the normal picture day (used for student ID's as well as all underclassmen yearbook photos). This is just one headshot with a standard background. Picture day was Wednesday, August 19 , and McIntire photography will be sure that we get the photo. We will also use retake photos this year for students who could not be at school in August.	McIntire will also come out on another date (TBD) to specifically take senior portraits. They use a special background and take several poses. Once you meet with me to select the portrait you would like us to use for the yearbook, they will send it with their other Senior Portraits. (Watch for updates on the school website and Twitter.)	If you have not already scheduled a session with either McIntire photography or a photographer of your choice, please do so as soon as possible because the sessions fill quickly! These MUST be submitted no later than Friday, January 28, 2022 (submission details below).
These photographers have supported us in the past, so we wanted to recommend them to you! (You may use any photographer you choose, but supporting these businesses supports our school.) RVP Photography -- Ross Van Pelt -- info@rvp-photography.com Jesse's Picture Girl -- Amy Buechter -- amybuechter@gmail.com Clay Broc Photo Memories -- Misty Webb -- claybroc@gmail.com Holly Barnes Plummer Photography -- Holly Plummer -- MissHEB29@gmail.com		

Outside photographer photo guidelines and submission details:

Make sure we can see your face clearly! ~ Minimum 2.5" by 3" and 300dpi preferred ~ File format: JPEG or JPG only

NOTE: You cannot save photos into a Google Doc, Word, Works, PDF, tiff, or gif file formats. We do not encourage submitting a printed photo or scanning one to send because the image quality is usually poor.

Submission options:

1. Professional photographer sends one portrait to Ms. Wayne at wayne_b@cneschools.org. The body of the email should include the name of the senior as it should appear throughout the entire yearbook. The photo must meet the above requirements. We will return a confirmation email to the photographer within 2 days.
2. Parent/guardian or student sends one portrait to Ms. Wayne at wayne_b@cneschools.org. The body of the email should include the name of the senior as it should appear throughout the entire yearbook. The photo must meet the above requirements. We will return a confirmation email to the parent/guardian within 2 days.

SENIOR QUOTE:

If there are not enough submissions by the deadline, we will exclude them altogether. [Go to the Senior Quote Google Form](#) to read the details, guidelines, and to submit your quote.

Quotes are also due by **January 28, 2022**.

The CNE Yearbook reserves the right to refuse any photo or quote that is inappropriate or does not meet specifications.

Sincerely,

Ms. Wayne
