

# SPRING DANCE

Friday May 12<sup>th</sup> 6:00-8:00PM

Rockdale Student Council is hosting their last dance for the 2022-2023 school year next **FRIDAY May 12th**. We wanted to quickly touch base with parents/guardians regarding expectations for the dance.

The dance will be from 6:00-8:00 PM in the Rockdale gym. Please have your student enter through the ramp doors. The doors will be only open until 6:30. It costs \$1 for admission. Once the students arrive, we ask that they stay the entire time. This is a safety precaution. Please arrive at 8:00PM by the ramp door to pick up your student. We HIGHLY encourage rides, but if your student needs to walk home, we ask that they do not walk alone.

Rockdale students from 5th-8th grades are invited to the dance. Students must not have received three detentions or a suspension in the month prior to the dance **and** be in attendance the day of the dance in order to join us for the dance. Only Rockdale students are allowed to attend our school dances.

There will be several staff members chaperoning the dance, along with Mr. Peterson.

All school rules apply at the dance, including the rules regarding phones and the dress code. There will be a photo opportunity for the students, and photos will be emailed to them. If students bring their phones, the phone must be away during the dance.

Concessions (cash only) will be available for the students. We have a variety of snacks (chips and candy) along with pizza. Each pizza slice will be \$3. Candy, chips, and drinks will vary in price.

If you have any questions concerning the dance, feel free to email me, Mrs. Vallera ([mvallera@rockdale84.org](mailto:mvallera@rockdale84.org)), Mr. Domenico, or Mr. Peterson.

Looking forward to a fun-filled night on the 12th!
