

Nutri-Serve @ Westampton School District

Back 2 School Food Service Reminders

For the 2021-22 School Year

1. School Meals are FREE through June 30, 2022.

This applies to all enrolled students regardless of eligibility status.
If your child wants to purchase a second entrée there will be a charge for that.
Second Entrée \$2.00

2. You do not *need* to fill out an application to get free meals but here's why you *still should!*

P-EBT Funding—Reduced or Waived SAT & College Application Fees
Your application affects funding for our district in regards to internet & technology, access to grants, and resources for classrooms, teachers and children.
ONLY ONE APPLICATION IS REQUIRED PER FAMILY!

3. Bringing lunch from home? Grab a MILK/FRUIT/VEGGIE bag at no cost.

This is a convenient option for families so students do not miss out on healthy food groups!

4. Let's work together to manage food allergies!

Serving models promoting social distancing can make food allergy management a little more complicated. If your child has a food allergy, please get a doctor's note explaining the special dietary condition. This should include foods that should be omitted from the child's diet as well as safe foods that can be substituted. *Contact the school nurse and the cafeteria and we can all work together to come up with safe menu options for your child.*

5. Snack Policy

Our current snack policy is this....

[Please consider putting money on your child's account to use for snacks at www.schoolpaymentportal.com.](#)

If you want to pre-pay with cash please send exact change. Any change will be placed on your child's lunch account for future snacks to eliminate the transfer of money & minimize the spread of germs.

Make checks payable to: Westampton Cafeteria

5. Limited Menus due to Supply Chain Issues

The food industry continues to face supply chain issues due to the COVID-19 pandemic. We apologize in advance for menu changes due to product stock-outs. In the case of a product stock-out, we will do our best to pick the most nutritionally similar substitute.

[You can access our digital menus @ westampton schooldistrict.nutrislice.com.](http://westampton schooldistrict.nutrislice.com)
