

Anaconda School District Newsletter

August 26th, 2021

Welcome

Welcome back to school! We are excited to offer a NEW District Newsletter which will incorporate information from all of our school campuses. Our hope is that you will refer to this newsletter often and find it helpful.

This newsletter will go out on the 2nd and 4th Thursday of each month via email through our Infinite Campus email system or via SeeSaw at Lincoln Primary School. We encourage you to provide your email address to your child's school to ensure you are staying connected with our School District Community.

Nurse's Nook

Welcome to the 2021-22 school year! I hope that it is a happy and healthy one for all of our students. As in years past, we'll be utilizing the following illness protocol for general health issues:

I NEED TO STAY AT HOME IF....						
FEVER	VOMITING	DIARRHEA	RASH	HEAD LICE	EYE INFECTION	HOSPITAL STAY AND/OR ER VISIT
Temperature of 100.0 or higher	Within the past 24 hours	Within the past 24 hours	Body rash with itching or fever	Itchy head, active head lice	Redness, Itching, and/or "crusty" drainage from eye	Hospital stay and/or ER visit

We will also utilize the following COVID-like illness protocol during surges in active COVID cases:

COVID-like Illness (BOLD = any 1 symptom or Others = any 2 or more symptoms)				
I AM BEING SENT HOME FOR...(circled below)				
FEVER ≥100.4°F, CHILLS, RIGOR	NEW COUGH, SHORTNESS OF BREATH, CONGESTION	SORE THROAT, LOSS OF TASTE, LOSS OF SMELL	SEVERE HEADACHE, BODY ACHES, FATIGUE, EXHAUSTION	NAUSEA, VOMITING, DIARRHEA, STOMACHACHE

COVID vaccination is not required to attend school. I encourage you to have a conversation with your healthcare provider about vaccination options for your student and to address any concerns you may have regarding COVID vaccinations.

Our school year will begin with wearing masks (no gators or bandanas though). The hope is that if our community gets back down to zero COVID cases (and no imminent surges are on the

horizon) that masks will return to an optional status. Likewise, if active COVID cases in the community rise to 10 or more (or there are 2 or more within the school district), masks will again be required. As such, mask use will be more fluid this school year. Nevertheless, frequent hand hygiene, adequate ventilation, good cough etiquette, and persistent sanitizing will remain daily precautions in all our school facilities.

For health questions, please feel free to call me at 563-6141 ext. 1509. Have a wonderful school year!

Anaconda Public Schools believes that:

- All students can and have the right to learn.
- Student learning is the chief priority for Anaconda Public Schools.
- Students' learning needs should be the primary focus of all decisions impacting the work of Anaconda Public Schools.
- Students learn in different ways and should be provided with a variety of instructional approaches to support their learning.
- Achievement enhances self-esteem; self-esteem enhances achievement.
- The commitment to continuous improvement is imperative.

Anaconda Public Schools Goals

The goals for Anaconda Public Schools are:

1. Increase the number of students scoring in the proficient and advanced areas of the standardized test by 3% / year.
 2. Maintain and recruit quality teachers.
 3. All students will be educated in learning environments that are safe, drug-free, and conducive to learning to maximize each individual student's potential.
 4. All students will graduate from high school.
