

## The Harvest P. Cassidy Memorial Scholarship Application

Created in 2016 in honor of Harvest Cassidy, by his family, to help students graduating from Laytonville High School attend a university, college, community college, arts or trade school. The recipient will be chosen based on how closely they exemplify spirit and grit, their hard work and determination; and their desire to seek adventure and challenge. We are looking to help someone who has a strong passion that they want to pursue and has demonstrated their passion not just in the classroom, but, more importantly, in what they choose to do with their time outside the classroom. Grades are not an important factor.
