Dear Parent(s)/Legal Guardian(s):

Your child attends Schley County Elementary School, which receives Federal Title I funds to assist students in meeting state achievement standards. At **Schley County Elementary School**, we are very proud of our teachers and feel they are ready for the coming school year and are prepared to give your child a high-quality education. As a Title I school, we must meet regulations related to teacher qualifications. These regulations allow you to learn more about your child's teachers' training and credentials. We are happy to provide this information to you. At any time, you may ask:

- Whether the teacher met state qualifications and certification requirements for the grade level and subject he/she is teaching,
- Whether the teacher received an emergency or conditional certificate through which state qualifications were waived, and
- What undergraduate or graduate degrees the teacher holds, including graduate certificates and additional degrees, and major(s) or area(s) of concentration.

You may also ask whether your child receives help from a paraprofessional. If your child receives this assistance, we can provide you with information about the paraprofessional's qualifications.

Our staff is committed to helping your child develop the academic knowledge and critical thinking he/she needs to succeed in school and beyond. That commitment includes making sure that all of our teachers and paraprofessionals are highly skilled.

If you have any questions about your child's teacher(s) or paraprofessional's qualifications, please contact Brian Hall at Schley County Elementary School at 229-937-0550 or by email at [bhall@schleyk12.org](mailto:bhall@schleyk12.org).

Sincerely,

Tee Reddish, Principal
