September 14, 2020

Dear Parent/Guardians,

This year, more than ever we need to be mindful about self-monitoring your children before arriving to school. If your child becomes sick while at school, and comfort measures are not providing relief (rest, water, restroom break, snack, etc.) you will be notified, and your child will be sent home. Below is the part of the form that will go home with your child outlining district criteria for when your child is able to return to school safely.

If you are able to manage your student's symptoms at home, you may return you student to school when the following are true:

1. At least 24 hours have passed since recovery (resolution of fever without the use of fever-reducing medications);

AND

2. Improvement of symptoms (e.g., cough, shortness of breath);

AND

3. At least 10 days have passed since symptoms first appeared.

OR

4. Obtained a medical professional's note clearing the individual for return based on an alternative diagnosis (must provide note);

OR

5. Obtain an acute infection test (at a physician's office, approved testing location, or other site) that comes back negative for COVID-19.

Together, we can ALL do our part to keep our students and staff as safe as possible this school year!!

As always, if you have any questions, please reach out to me @ 788-9549.

Thank You,

Kelly Wyatt, RN
