Dear Parent(s)/Guardian(s):

In the event that a state or national emergency situation is announced, we will make every effort to assure the safety and wellbeing of our students. However, should you wish to have your son or daughter dismissed from school while we are in session, the following procedures need to be followed:

- You may come to school to have your child release directly to you. Photo identification may be required.
- You may communicate with the school by telephone to direct that your child be released to another person listed on your child's emergency information sheet. When that person arrives at school, photo identification will be required.
- If your child drives a car to school, you may telephone the school to request that your child be released to drive himself/herself home. Your request will be honored only if the Permission Form below has been completed and signed by you and is on file in the high school office. If your child drives to school, please return the form below to the school office as soon as possible.

As the days pass, we will continue to make every effort to maintain a safe and secure environment at school. Thank you for your cooperation.

Sincerely,

Janet Parlato, Ed. D.
Principal
