

# RMS Art Club Membership

## Guardian Permission Form (due Friday September 17)

We are a fun, creative extracurricular club for anyone who loves art! This is where students can try out new art materials and techniques, participate in fun activities to give back to the community, and explore their own interests, experiences, and passions through art! **Join Robinson Middle School Art Club and discover the artist in you!**

Teacher Sponsor: Katie Combs ([kcombs8509@pcssd.org](mailto:kcombs8509@pcssd.org))

**Meetings:** Our meeting times/days are still to be decided, but we are hoping they will be during the school day. Students will be expected to leave the Art Room CLEAN after meetings. If we do special weekend or after-school activities, **students will need a reliable and ON-TIME ride/pick-up in order to attend.** Additional information and permission forms will come when we have after-hours, weekend, or traveling activities.

**Dues:** For membership in the Club, students will need to turn in **\$15 for dues** to cover the cost of materials and field trips for the 2021-2022 school year. **Along with this permission form, please turn in to Katie Combs \$15 cash or checks made out to Robinson Middle School, BY Friday September 17th.**

*Please let Ms. Combs or Mrs. Appiah-McNulty know if you need assistance with dues.*

**Contact:** Please join as a guardian on your child's Schoology account, as we will have an Art Club Group on there and will use that for scheduling, planning, and updates. I will also communicate via text messages through SchoolStatus, so please make sure your phone number on record with the RMS Registrar is correct. And follow the RMS Art Club Instagram page to see everything we are doing!: [instagram.com/rmsartclub/](https://www.instagram.com/rmsartclub/)
