

Good evening, Lake Forest High School Families! Welcome to the 2021-2022 school year! We at LFHS are eager to greet all of our students tomorrow, Monday, August 30, for the first day of school. Doors will open at 7:20AM and dismissal will be at 2:30PM.

Students will report to homeroom to receive their class schedules and beginning-of-the year paperwork. Homerooms are by grade and alphabetical order. Please click on the attachment associated with this message to find your child's homeroom location. We ask that all students return their paperwork to school on Tuesday, as one of the documents is the technology agreement form, which is needed in order to distribute a laptop.

Students will arrive to school one of two ways: car or bus. If you are dropping your child off in the morning, we ask that you pull-up to the front drive along the right curb, and remain in your vehicle until prompted to exit. Car riders will enter the building through their designated hallway, so it is imperative for your child to know the homeroom location. In addition, please do not block the center lane of the front driveway. Following these guidelines will expedite the morning drop-off process.

Safety measures are being implemented. Masks are required of everyone entering the building, water filling stations have replaced water fountains, hand sanitizer locations are located throughout the building, and cafeteria tables have been spread-out. Staff has been encouraged to utilize outdoor spaces and, as such, we ask all students to bring a beach towel in the event that they sit outside. A grab-and-go breakfast will be available daily and must be eaten in the cafeteria. No food will be permitted in classrooms.

Finally, seniors, portrait make-up days are scheduled for September 9<sup>th</sup> & 10<sup>th</sup>. This is by appointment only. Visit <https://prestigeportraits.com> if you need to schedule a session. This will be the final opportunity for senior portraits.

That is all we have for you this evening. We wish everyone a good night and an amazing school year. Welcome back, everyone!
