

The Schuyler School Board is working diligently to prepare for the charge of hiring a permanent superintendent. Hiring a superintendent is one of the most important endeavors a board must face; therefore, we will approach this task with attention to each vital detail necessary to ensure a rewarding and successful search. It is our goal to hire a quality and competent administrator to continue to lead the district forward in the years to come.

As the board plans for the hire, we value and seek the input of patrons, parents, students, staff and administrators. The Nebraska Association of School Boards is assisting the board in the superintendent search and has scheduled a visit to our school and community on Monday, January 30, 2023. The board extends an invitation to the staff and community to participate in this visit to share personal thoughts regarding the district and the superintendent position. Information will be advertised regarding the details of the visit.

If you are unable to come to the in person visit, please use one of the other methods to offer your suggestions pertaining to strengths/challenges of the district, background experience and qualities the candidate might possess in order to be successful in his or her role as superintendent.

You may submit your personal comments via one of the following methods:
