Schedule changes

In order for a student's schedule change to be considered the student must complete a schedule change request form from the office. The schedule change deadline is September 2nd.

Please remember that these are requests, not an actual schedule change.

Students may not get all of the classes they request for a number of reasons including:

- Conflicts with other classes requested.
- Insufficient demand for a class.
- Classes are full. There is room in most courses to accommodate your request. However, some courses are limited in the number of seats available during each quarter.
- Electives change each quarter, if you did not receive your first choice in the first quarter most likely you will receive your elective selection during another quarter.

Your School Scheduler will review your request and determine whether or not approval for your course will be granted.
