

VERIZON HOTSPOT TO WISD STUDENTS

Parents and Students - Woodville ISD students will continue to have the opportunity once again to receive **FREE** internet connectivity through a Verizon hotspot. WISD will offer one mobile hotspot for each household of a WISD student. While we are aware that parts of Woodville and surrounding areas may not receive a strong signal and service may be limited, we still encourage families to take advantage of this opportunity, as the hotspot could be used for student internet connectivity “on the go.” So if you have not done so already, please make arrangements to come pick one up.

Parents must understand WISD loans the hotspot to students; therefore, we require parent permission and signature before students will receive a hotspot. Additionally, all hotspots are to be returned at the end of the school year or when a student withdraws from WISD. Hotspots must be presented in the original box when returned along with the power cord and adapter. There will be a charge and/or fine for lost or damaged items as referenced on the attached form.

If you are interested in getting a Verizon hotspot for your household please come by the Administration Office from the hours of 9:00 am - 3:30 pm Mon - Fri to sign one out with Mrs. LeeAnna Chambers . If you have any questions or concerns feel free to contact me at leeanna.chambers@woodvilleeagles.org or call
