### What is Family Engagement?

Family Engagement means the participation of parents and family members in regular, two-way, and meaningful communication involving student academic learning and other school activities, including ensuring:

- (A) That parents play an integral role in assisting their child's learning.
- (B) That parents are encouraged to be actively involved in their child's education.
- (C) That parents are full partners in their child's education and are included, as appropriate, in decision-making and on advisory committees to assist in the education of their child.
- (D) The carrying out of other activities, such as those described in Section 1116 of the Every Student Succeeds Act (ESSA).

### About the Parent and Family Engagement Policy

In support of strengthening student academic achievement, the Irwin County School District has developed this parent and family engagement policy that establishes the district's expectations and objectives for meaningful family engagement and guides the strategies and resources that strengthen school and parent partnerships in the district's Title I schools. This plan will describe Irwin County's commitment to engage families in the education of their children and to build the capacity in its Title I schools to implement family engagement strategies and activities designed to achieve the district and student academic achievement goals.

When schools, families, and communities work together to support learning, children tend to do better in school, stay in school longer and enjoy school more. Title I, Part A provides for substantive family engagement at every level of the program, such as in the development and implementation of the district and school plan, and in carrying out the district and school improvement provisions. Section 1116 of ESSA contains the primary Title I, Part A requirements for schools and school systems to involve parents and family members in their children's education. The Irwin County School District will work with its Title I schools to ensure that the required school-level parent and family engagement policies meet the requirements of federal law and each include, as a component, a school-parent compact.

## Jointly Developed

During May 2021, a one-day meeting opportunity was held and all parents were invited to participate and provide suggestions and ideas to improve this district parent and family engagement policy for the 2021-2022 school year. The district sent flyers home with all students informing parents about this meeting and posted an announcement on the school district website, social media accounts, and call out system. During this meeting, parents also reviewed and discussed the Consolidated LEA Improvement Plan (CLIP), the School Improvement Plans, and School-Parent Compacts. Additionally, all resources were posted on the school website for review and feedback electronically.

Upon final revision, the district parent and family engagement policy was incorporated into the CLIP, which was submitted to the state. Parents are welcome to submit comments and feedback regarding the policy at any time on the school district website or by submitting written comments to your child's school. All feedback received by May 2021 was considered for revisions to this policy.

The district's plan to distribute this policy is to post it on district and school websites, social media and in parent resource centers, and disseminate it during the annual Title I school meetings in the fall.

## Communications

The Irwin County School District will communicate with all families and the community on a regular basis regarding school wide events and activities, through phone and text messages, emails, social media, school newsletters, and flyers. The district and school will share information in English and other languages to the extent possible through written communications, meetings, conferences, and family engagement events in order for families to understand the school's academic standards and assessments as well as ways parents can monitor their child's progress.

## Strengthening Our School

This year, the district family engagement coordinator (FEC) will provide technical assistance and support to all Title I schools to ensure family engagement requirements are being satisfied and that family engagement strategies and activities are being implemented. Title I schools will receive notifications and resources from the district and the FEC to help them improve and strengthen family engagement. In addition to frequent communication and school visits, the district and the FEC will hold monthly meetings and trainings with its Title I schools' principals and school FECs to review family engagement plans and activities.

Additionally, the district will convene a summit in October for principals and FECs to review parent and family engagement requirements and plan opportunities for family engagement activities and meetings for the remainder of the school year.

## Reservation of Funds

The Irwin County School District will reserve 1 percent from the total amount of Title I funds it receives in 2021-2022 to carry out the parent and family engagement requirements listed in this policy and as described in federal law. Furthermore, the district will distribute 90 percent of the amount reserved to Title I schools to support their local-level family engagement programs and activities. The district will provide clear guidance and communication to assist each Title I school in developing an adequate family engagement budget that addresses their needs assessment and parent recommendations.

The district allowed parents to provide suggestions on how these family engagement funds could be used in the upcoming year at the district and school-level. Comment cards and minutes from these meetings were reviewed by the district to determine areas of need for the upcoming school year and consider changes to the family engagement budget. If you have suggestions, please contact FEC in the district office.

The district will coordinate and integrate the district's family engagement programs under this part with parent and family engagement strategies, to the extent feasible and appropriate, with other relevant Federal, State, and local laws and programs such as, the local preschool program and other federal and state funded preschool programs in the district. The district will invite faculty and staff from those programs to attend planning meetings focused on family engagement activities. To ensure that information related to district, school, parent programs, meetings, and activities is available to all parents, each Title I school is required to send home and post online information for parents and family members in an understandable language and uniform format. At the beginning of the year, school staff will be trained on parent notifications and resources to be sent home in parents' preferred language, where applicable, and providing interpreters at parent events and meetings if needed. These surveys will also be posted on the district and school websites for parents to complete. In addition to the annual survey, each Title I school will also use the School Improvement Forum to facilitate group discussions to discuss the needs parents of children eligible to receive Title I services to design strategies for more effective family engagement.

The district will use the findings from the school forums and the survey results to design strategies to improve effective family engagement, to remove possible barriers to parent participation, and to revise its parent and family engagement policies.
