September 1, 2021

Dear Roosevelt Learning Community,

It has been a privilege and a pleasure to welcome back our students for the 2021 -2022 school year. We were excited to start the school year with our students actually present in our building instead of online remotely. Students have been great about wearing masks and they continue to be resilient and engaged during this global pandemic. I would encourage everyone to focus on staying positive and working together so all of our students are able to enjoy their high school experience.

Our goal of helping all students reach their full potential in an equitable and inclusive environment remains. To that end, it is important that we have a great beginning. Please communicate with teachers, counselors, and administrators if you have any questions concerning your student.

Please visit us September 1, 2021, at 7:00 p.m. for our Fall Open House. It is an excellent way for parents or guardians to meet our staff in person. If you are unable to attend, please remember you may contact us at any time.

Please remember to encourage your student to not only work hard in the classroom but to also join one of our many sports teams, clubs, or activities. There are so many ways students are able to be involved and therefore, to feel a sense of belonging to their school.
