

WELCOME BACK

We look forward to welcoming students back to the cafeteria and to the new school year. Our team is preparing to serve up some tasty and nutritious mealtime offerings. We will start with a simple, streamlined menu to keep navigating the lunch line easier. We then look forward to expanding back to the full variety of choices as soon as practical.

It is possible that we may need to alter the menu due to national supply chain issues.

Food Allergies?

The well-being of each student is our highest priority. Please contact your Food Service Director at 201.227.7791x1501 to learn more about allergy safe meals.
