CPCSC Chromebook Insurance

CPCSC will offer Chromebook repair/device replacement coverage for **\$25** for the 2023-2024 school year. The policy is optional for families and is not part of the application for free/reduced meals application. This policy will cover **one** repair/replacement of the Chromebook should an accident occur that damages the device. This does not cover loss of Chromebook, loss of charger, loss of Chromebook case, or intentional damage.

In order to take advantage of this insurance, the \$25 fee should be paid on the student's account

- Students enrolled on or prior to Friday, September 8th, 2023 - deadline to purchase insurance is **FRIDAY, SEPTEMBER 22, 2023**.
- Students enrolled on or after Monday, September 10th, 2023 - deadline to purchase insurance is **TWO WEEKS** after enrollment.

Payment can be made online in ParentVue or in person at the school office. After the insurance purchase window expires, insurance will not be available and students/families will be responsible for the full cost of all damages incurred on the device.

If insurance is not paid by the above defined deadlines and damage occurs AFTER the insurance purchase window expires, insurance can not be purchased after the fact to cover the replacement cost.
