

Trip Wellness

Hello 5th Grade Parents,

Due to the rising cases of Covid, Flu, RSV and other viruses, we are asking that you screen your children well before sending them on the 5th grade class trip to Philadelphia tomorrow, Thursday December 15th. If your child develops a fever or is too ill to participate in the activities, you may be asked to come get your child. Keep in mind this is a long day and they must be completely well to participate. If your child is coughing or showing signs of illness, they may be asked to wear a mask while on the bus and possibly other times during the trip.

Thank you!

Sandra Riley RN
