Dear Parents and Families,

Cresskill Elementary Schools will administer the New Jersey Student Learning Assessments (NJSLA) for ELA, Mathematics, and Science in the month of May. Students in grades 3, 4 and 5 will take the ELA assessment on May 1, May 2 and May 3. The Math portion for all grades will be administered May 4 and 5. Students in grade 5 will complete the NJSLA Science assessment on May 15 and 16. Testing will take place primarily in the morning with no interruption to specials. Make-up sessions will be completed upon your child's return to school.

Wired headphones compatible with Chromebooks are needed for ELA testing and if the Text to Speech accommodation is applicable for your child. Students may begin bringing headphones into the classroom to be kept in advance of testing.
