Bergman School District Ready for Learning Plan Actions and Assurances

1. We will ensure the continuity of teaching and learning by providing a guaranteed and viable curriculum that includes virtual learning (9-12).
2. We will address unfinished learning from the prior year by using the *Arkansas Playbook: Addressing Unfinished Learning* and district developed resources.
3. We will utilize a Learning Management System.
4. We will schedule teacher training for how to use the LMS.
5. We will schedule teacher training for blended learning (delivery of instruction).
6. We will provide support for parents and students.
7. We will provide a written communication plan for interacting with parents, students, and the community.

Action #1

We will ensure the continuity of teaching and learning by providing a guaranteed and viable curriculum that includes virtual learning (9-12).

Guaranteed and Viable Curriculum

- A guaranteed and viable curriculum will be implemented through the Bergman School District instructional model.
- The instructional model will be implemented in two settings: On-Site Instruction and virtually through Virtual Arkansas for grades 9-12.
- The diagnostic assessment to be used to identify students' strengths and weaknesses and develop individual instructional plans for addressing unfinished learning and shape decisions to be made for new learning will be Star 360 in grades K-8.
- Additionally, local formative assessments, reading screeners that align with the Science of Reading will be used to identify areas of need for remediation and enrichment in all grades and subject areas.

Virtual (Off-Site) Learning Plans

- Families may choose Virtual Learning for grades 9-12.
- Virtual Learning will be offered off-site through Virtual Arkansas.

Action #2

We will *address unfinished learning from the prior year* by using the *Arkansas Playbook: Addressing Unfinished Learning* and district developed resources.

Addressing Unfinished Learning

Procedural review and social emotional learning will be embedded continually throughout the year as we provide continued student support.

Specific items to be addressed will vary by grade span but will include at a minimum:

1. Building procedures and rules
2. PPE etiquette, social distancing, safety requirements
3. Social-emotional supports found in the Playbook.

Addressing Unfinished Learning

Unfinished Learning and Learning Deficits

The first three weeks of school (August 16 - September 3) will be used for student screening and teaching essential standards that were not taught or mastered during the previous year.

Units of instruction and resources provided in the *Playbook* will be used as a guide. Units of instruction developed by Bergman Grade Level Teams will also be used to address essential standards that were not taught or mastered during the closure. The Bergman School District instructional model will be used in the Plan-Do-Check process continuously.

- Screeners and Diagnostic assessment completed through Star 360.
- Plan-Do-Check: Data will be disaggregated in the PLC process and plans for instruction according to our instructional model will be developed and implemented.
- Star Testing K-12 will be administered three times in 2021-22.
- Teachers have access to Focus Skills provided by Star Renaissance.
- Teachers also have access to pertinent data regarding student learning and gaps.

Arkansas Playbook: Addressing Unfinished Learning

The Playbook will be used to address unfinished learning through the following:

1. Unit plans
2. Social/Emotional strategies and support plans and resources
3. Family and Community Engagement resources
4. Documents to support our Professional Learning Community process
5. Support documents and resources for developing common formative assessments

Action #3

We will utilize a
Learning
Management
System.

Learning Management Systems
