

Daily Announcements

We are excited to announce that we are welcoming parents/guardians into the building for Open House tonight, Wednesday, September 1!!

This was originally scheduled for a virtual presentation, but we have now shifted to an in-person presentation. **The time will remain the same, 6:00 - 6:30 PM** and each grade level will host their parents/guardians in the designated locations below:

6th Grade presentation will be in the Gym

7th Grade presentation will be in the Commons

8th Grade presentation will be in the Band room (Room 188)

In order to ensure social distancing, this parent/guardian event is only for parents/guardians; students should not attend. Also, in accordance with state mandates, all guests entering the building will need to be in masks. As a further mitigation level, we will have our entrance doors off the south lot, near the band room (the west door by the ramp/stairs), and 6th grade door (south west entrance door off main lot) unlocked for families to enter through as well as our main entrance doors by the front office.

We look forward to seeing our families tonight!

Both Volleyball Teams were victorious over Kolmar last night. Congratulations!

With College Football starting this weekend, our first Spirit Day this Friday, 09/03/2021, is College Day. Wear "something" from your favorite college or university.
