

June 10, 2022

Dear Parents/Guardians and Students,

I want to take this opportunity to wish you a safe and enjoyable summer vacation. I would also like to let you know that I will not be returning to Morse Memorial and Monroe Elementary in the fall. I have taken another position which will bring me closer to my home. My time in your communities and with your children has been priceless. I will forever carry the memories I have made with me with great fondness.

Warmest wishes,

Myla Kreider
