

Dear Monroe School Families,

Welcome to the 2022-2023 school year. My name is Lisa Roux and I will be your child's principal this year. This will be my 28th year working in RSU 3 and I am very excited to be joining the Monroe staff. I already know some of the families at Monroe School and I look forward to meeting all families as we work together to make this the best school year for your child.

We have a couple of staff changes at Monroe School so far. Jodie Dupuy has accepted the position of Dean of Students. Tracey McKinney will be joining us as a Grade 1 Teacher. Shelby Merchant will be the new Art Teacher. Jordan Roux will be joining us as an SEL teacher. This position is new, as we have been unable to find a school counselor to replace Mrs. Moring. The SEL position will allow Mr. Roux to continue with weekly basic social skills lessons appropriate for elementary school students, such as making friends, resolving peer conflicts, using manners, taking turns, working with others, etc. (we will still have Miss Bonnie's services to support individual student needs as necessary). I will continue to update families regarding any additional staff changes, as we still have a couple of positions we are hoping to fill.

With just a few weeks left before school starts, please continue to watch for updates and information regarding the school year. Once the school year has started, I will send out a weekly newsletter highlighting the great things happening at our school and any important upcoming dates and events you will want to be aware of.

Classroom teachers will likely be sharing information specific to their classrooms that will help you in preparing your child for school. **We will also be hosting an informal meet and greet on Wednesday August 24th from 5:00-5:30.** This will be a chance to see classrooms and meet the staff before our first day of school on Tuesday August 30th.

Again, I am very excited to be a part of the Monroe school community this year, and I cannot express enough how much I value communication between school and home. Please do not hesitate to contact me at any time with questions, concerns, feedback, or if you need any type of support. I am here to work with all staff and all families to make this an amazing school year. My contact information is below. I look forward to seeing you on August 24 and then frequently as we move through the school year.

Sincerely,

Lisa Roux, Principal
