HOME OF THE TIGERS

Wednesday, September 1st, 2021

Dear Parent/Guardian,

This morning, it has been reported that your child's bus driver, Crystal Chance, tested positive for COVID-19. This letter is serving as a notification only for a staff positive test. Students who rode the bus while Ms. Chance was driving will **not be considered** a school close contact, however, we feel it was necessary for parents/guardians with students riding on the bus route to be informed about the positive COVID-19 case. Ms. Chance did not drive the bus route today, and will not be driving the bus route until her isolation period is complete.

Even though you child or children are not considered close contacts, parents/guardians should still be aware of the signs and symptoms of the COVID-19 infection, and what to do if your child gets sick. If your child currently has symptoms or develops symptoms of COVID-19, please contact your child's healthcare provider who may evaluate them for COVID-19.

COVID-19 is a contagious disease that mainly spreads when an infected person coughs or sneezes. Common symptoms of COVID-19 are fever and cough. Some individuals may also experience shortness of breath, runny nose, fatigue, sore throat, body aches, headache, chills, or loss of taste/smell. Symptoms can vary by person and range from very mild symptoms to severe illness.

Please consider the following North Dakota Department of Health recommendations to prevent the spread of COVID-19:

- wash hands often with soap and water for at least 20 seconds
- avoid touching eyes, nose, and mouth with unwashed hands
- cover coughs and sneezes with a tissue and throw it away
- clean and disinfect frequently touched surfaces/objects regularly
- get plenty of rest, drink fluids, and eat healthy foods
- avoid close contact with people who are sick
- stay home when you are sick
- consider getting tested 7-10 days after date of last exposure

Please see the [current HMB COVID-19 procedures](#) page for more information. If you have any additional questions, please contact the school at (701) 782-6231.

Sincerely,
