

# Superintendent Information Letter

August 10, 2021  
Stacey Criner, Superintendent

Welcome **Mrs. Angie Adams** to Pine Avenue

Alma Public Schools is proud to welcome Mrs. Adams as the new Pine Avenue Principal. Mrs. Adams is a resident of Alma, with two Alma Panther children. She is married to Dave, who works for GIRESD at AHS. Her certification is in elementary education, and she has taught 5th grade, K-5 Title 1 (Reading & Math), 6-8 At-Risk Reading/Language Arts, Computers, and Spanish. She has recently spent the past three years as an MTSS Consultant/MICIP lead at Saginaw ISD. We are excited to have Mrs. Adams join our APS team. She will officially be in the office on Monday, August 16, 2021.

## Changes in Open Houses

Due to the rise in our community transmission and our strong desire to launch a safe and successful year, we will transition our three elementary **Open Houses to a Meet & Greet format** similar to last year. Please plan to transition accordingly and discuss any concerns with your building principal.

Kindergarten and Middle School will have a student indoor Open House with parent elements outside. High School adjustments have not been made at this time as 1:1 distribution details need to be addressed.

## Please **HELP** our Transportation Department!

We need bus drivers. **We need to hire several drivers** to decrease the amount of time children are on buses. If you know anyone interested, please have them reach out to our Transportation Director as soon as possible.

**Liz Richardson** (Director of Transportation)

- \*4 Hours/Day
- \*Pension Plan
- \*Paid Sick Leave

## What does **REMOTE** mean?

As a district, we are hoping for the best and planning for the worst. The education of our students is essential. Please know that **IF** COVID-19 cases warrant a classroom, building or district “shut down.” We will transition from face-to-face to remote learning. Students will still be **required to attend** Zoom/Google Meet sessions and complete assigned work. Should this occur, I encourage you to think about your backup plan.
