Dear Parents, Grandparents, and Friends of SCCS,

The year is off to a great start! The halls are filled with laughter once again!

We were so excited to welcome back our youngest Redwings in the preschool and prekindergarten classes this week.

Many thanks to our parents who have positively coached the kids on the COVID protocols. Many thanks to the children for quickly adapting to the varied requirements. Many thanks to our teachers for working hard to make the school ready for our another fantastic year.

May God Bless every family, and provide us His protection and joy each and everyday of this school year!
